Zomato: CMP INR270 TP 330 22% Upside Buy

- Zomato has retained its hiked fees even after the festivals are over. It had hiked its food delivery platform fees before Diwali to Rs10 from Rs6, under 'festive season platform fee'.
- This forms 2-3% of zomato order value which leaves further scope of hike as other platform companies charge as much as 10%
- We are positive on Zomato as it's food delivery business is stable, and Blinkit offers a generational opportunity to participate in the disruption of industries such as retail, grocery and e-commerce.
