- Market outlook Today The market is likely to open marginally lower today, driven by weakness in global markets and concerns over recent Foreign Institutional Investors (FII) selling.
- Focus on Major sectors Defense stocks are likely to remain in focus, following government approval for over Rs 13,000 crore in new defense orders for domestic players.
- The IT sector is expected to continue its rally due to the strengthening of the USD/INR and optimism surrounding a potential interest rate cut by the US Federal Reserve next week, following November's inflation data meeting expectations.
- Metal stocks may see positive momentum, as reports suggest that the Minister for Heavy Industries and Steel is considering imposing a 25% safeguard duty on imported steel.
- Hotel stocks are expected to benefit from improving demand ahead of the Christmas holiday and the wedding season.
- Additionally, encouraging October IIP data, which reached a three-month high, along with hopes of the US Fed cutting interest rates next month, should support market sentiment

Nifty Technical Outlook

NIFTY (CMP: 24548) Nifty immediate support is at 24500 then 24400 zones while resistance at 24700 then 24850 zones. Now it has to continue to hold 24500 zones for an up move towards 24700 then 24850 zones whereas supports can be seen at 24500 and 24400 zones.
