### Tech transformation benefits likely to materialize from FY26

#### Earnings in line; AUM growth weaker than guidance even as NIM expands

- AAVAS Financiers (AAVAS)'s 4QFY25 PAT grew ~8% YOY to ~INR1.54b (in line). FY25 PAT grew ~17% YoY to INR5.7b. NII in 4QFY25 grew 14% YoY to ~INR2.7b (in line). Other income grew 16% YoY, aided by higher assignment income of ~INR652m (PY: INR551m).
  - 4QFY25 NIM (calc.) expanded ~10bp QoQ to ~6.9%. Reported spreads declined ~5bp QoQ to 4.9% from ~4.95% as of Dec'24.
  - Opex rose ~20% YoY to INR1.7b (~10% higher than MOFSLe). The opex-to-avg. AUM stood at ~3.5% (PY: 3.4% and PQ: ~3.1%). We estimate the opex-to-avg. AUM will decline to ~2.9% by FY27E from ~3.1% in FY25.
  - Aavas continues to strengthen its distribution network and added 24 branches in 4QFY25. The company will front-end its branch expansion strategy and accelerate new branch additions in 1HFY26. AAVAS will continue to focus on <INR1m ticket-size loans, where it can command better risk-adjusted yields.
  - We estimate ~18%/19% CAGR in AUM and PAT over FY25-27E, with an RoA/RoE of 3.4%/15% by FY27E. AAVAS trades at 2.8x FY27E P/BV. Valuations factor in the company's readiness to demonstrate operating efficiencies, now that all major technology transformations have been completed.
- Reiterate Neutral with a TP of INR2,070 (based on 2.8x Mar'27E BVPS).**

### AUM rises ~18% YoY; share of HL in disbursements stands at ~61.5%

- AUM grew 18% YoY to ~INR204b. AUM growth in FY25 was lower than the guidance due to the caution exercised by the company in certain states in western India and in lending to customers who were overleveraged.
- Disbursements rose ~7% YoY and ~27% QoQ to ~INR20.2b. Share of HL in 4QFY25 disbursements stood at ~62%. The annualized run-off in the loan book was slightly elevated at ~17.5% (PY and PQ: ~16.4%).
- Management has guided for ~20% growth in disbursements in FY26 and targets an AUM CAGR of ~20% in the medium term. The company exhibited strong momentum in customer logins and disbursements, suggestive of an improvement in the business activity.
- Securitization during the quarter amounted to ~INR4.5b (PY: ~INR4.0b) and the securitization margin improved ~120bp QoQ to 14.4%.

### Highlights from the management commentary

- The company remains cautiously optimistic in the MSME segment. In light of ongoing stress in the unsecured lending space and potential spillover effects, it has adopted a cautious approach towards the MSME segment.
- The company does not anticipate any compression in spreads, even in a declining interest rate environment.
- With ~36% of its borrowings tied to EBLR and ~21% linked to the 3M MCLR, Aavas is well-positioned for a faster repricing of its liabilities in a declining interest rate environment, which will lead to a decline in its CoB.

### Valuation and view

- AAVAS reported an RoA/RoE of ~3.3%/~14.1% in 4QFY25. The company's continuous efforts to improve its technological edge and relentless focus on asset quality have positioned it as a standout player among its peers. Notably, its 1+DPD remains well below the guided levels, driven by its prudent underwriting process and efficient collection efforts.
- Now that the company has completed all major tech transformations, we expect no disruptions to business activities in the future. Moreover, the improvement in TAT (down to 7 days from 11 days earlier) should translate into a stronger disbursement growth trajectory in the subsequent quarters.
- The stock trades at 2.8x FY27E P/BV, and the sustenance of these valuation multiples will depend on stronger AUM growth and delivery of operating efficiencies to further improve the RoA profile. **Reiterate Neutral with a TP of INR2,070 (based on 2.8x Mar'27E BVPS).**

E: MOFSL Estimates

### Minor improvement in asset quality; 1+dpd stands at ~3.4%

- Asset quality exhibited minor improvement, with GS3/NS3 declining by ~5bp/7bp QoQ to 1.08%/0.73%. Its 1+dpd declined ~45bp QoQ to 3.4%.
- Credit costs stood at INR76m (vs. MOSLe of ~INR53m) and translated into annualized credit costs of ~15bp (PY: ~10bp). AAVAS guided for credit costs of less than ~25bp on a sustainable basis in the near-to-medium term.
- Management indicated that bounce rates remain in line with historical levels. The company remains confident that NPA rollbacks will materialize over the next one to two quarters. We model credit costs of ~20bp each in FY26-27.

### Spreads dip ~5bp QoQ; sequential expansion of ~10bp in NIM

- Reported spreads declined ~5bp QoQ to 4.9% (vs. ~4.95% as of Dec'24), while CoF was stable QoQ at ~8.24%. Management stated that the company will maintain its strategy of increasing disbursement yields by focusing on product segments with ticket sizes below INR1.5m.
- Reported NIMs for FY25 rose ~10bp to ~7.65% (vs. 7.55% in 9MFY25), while 4QFY25 NIM (calc.) expanded ~10bp QoQ to ~6.9%.

## Highlights from the management commentary

### Guidance

- Guided for credit costs of <25bp on a sustainable basis
- Continues to strengthen its distribution network and added 24 branches in 4QFY25. Aims to accelerate its branch expansion strategy in 1HFY26. Branch expansions will now be front-ended in the new fiscal year.
- Disbursement growth of >20% in FY26 and AUM CAGR of 20%
- Guided for Opex to Assets to decline by 10-20bp in FY26
- Fee income will continue to grow in line with the AUM growth.
- Going forward, Stage 3 PCR will remain in the range of 32-34%
- Target product mix between Home Loans and LAP/MSME is 65%:35%

### Business update

- Aavas crossed an AUM of ~INR200b in 4QFY25. AUM rose 18% YoY to INR204b
- Healthy traction in customer logins and disbursements - Aavas crossed 55K in logins and ~INR20b in quarterly disbursements for the first time
- The company has completed tech upgradations and they are now stabilizing
- FY25 PAT grew 17% YoY to INR5.74b
- Opex to asset ratio has declined by ~26bp YoY in FY25
- GNPA declined ~6bp QoQ to 1.08%

### Financial performance

- Aavas raised ~INR61.8b @ 8.42% in FY25. The average tenor of borrowings continues to be higher than its assets.
- Liability Mix: Bank TL: ~51%, Assignments: 25%, Debt Capital Markets: ~10%
- PAT in 4QFY25 grew 8% YoY to INR1.54b
- 36% of its borrowings are linked to EBLR and 21% are linked to 3M MCLR which will allow it faster repricing in a declining rate environment
- NIM as % of total assets stood at ~8.11% in 4QFY25 (and 7.64% in FY25)

### Asset quality

- Remains within the guided range with 1+dpd stood at 3.39%
- GS3/NS3 stood at ~1.08% / 0.73% as of Mar'25
- Stage 3 PCR rose to 32%; Aavas has calibrated the ECL model and also incorporated economic and behavioral changes.
- Bounce rates are similar to what it was earlier. Confident that roll-back of NPAs will happen in the next 1-2 quarters. Behavior across the states has been similar and management is confident that GNPA will decline to <1%.

### Yields

- Constant endeavor has been to increase the disbursement yields. Disbursement yields have improved by ~22bp in FY25.
- Confident of its disbursement yields. Even in a falling rate scenario, the lowering of the borrowing cost, a change in the product type, and product segment will ensure that the company will be able to maintain healthy spreads of ~5%.
- The entire loan book which is ~70% floating rate is linked to its internal PLR which is linked to its CoB.

- Aavas will continue to hold on to its disbursement yields because of structural changes in the product type and product segments since the segment of <INR1.5m is not interest-rate sensitive.
- Aavas will continue its approach to increase the disbursement yields by growing in segments where the ticket sizes are less than INR1.5m. With its BRE, it can get its pricing risk right.

### Spreads and NIM

- Even in a falling interest rate scenario, the company does not expect a compression in its spreads.
- Banks are yet to reduce the MCLR in this quarter. There will be a positive trajectory on the CoB in the coming quarters.

### Opex

- Added 30 branches during the year out of which 24 branches were added in 4Q. Resource and capacity planning resulted in higher employee expenses during the quarter.
- Higher variable cost is also linked to business growth in the quarter.

### Branch expansion

- The focus is on risk-adjusted returns. Branch expansions were in the existing States in 4QFY25. It will expand to a new state in Southern India - Tamil Nadu - in the next year.

### Others

- On MSME, it has been cautiously optimistic; Given the stress in the unsecured segment and potential spillovers, it has been cautious in MSME.
- Total employees stood at 7273 as of Mar'25
- AUM growth in FY25 was lower than the guidance because of the caution exercised by the company. Aavas was cautious in certain states in the western part of India and also towards MFI customers who were overleveraged.
- Login to sanction ratio in 4QFY25 stood at ~38% (vs. the normalized ratio of ~42%)
- In the segments that it serves, it does not see the kind of competition in the normal prime markets.

#### Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on [www.motilaloswal.com](http://www.motilaloswal.com). MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://online.reports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at [www.nseindia.com](http://www.nseindia.com), [www.bseindia.com](http://www.bseindia.com). Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

#### Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

#### For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

#### For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

#### For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to [grievances@motilaloswal.com](mailto:grievances@motilaloswal.com).

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alterations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
