**CMP: INR445**      **TP: INR460 (+3%)**      **Neutral**  
**Better-than-expected performance; focus on reducing costs**

- 4QFY25 revenue stood at INR90.9b (+20% YoY/+6% QoQ) vs. our estimate of INR85.5b. Revenue growth was driven by high metal production, strong zinc and silver prices, stronger dollar, and strategic hedging gains.
- EBITDA stood at INR48.2b (+32% YoY/+7% QoQ) vs. our est. of INR44.4b. Growth was mainly led by better volumes and prices and lower input costs. EBITDA margin stood at 53% vs. 52.2% in 3QFY25 and 48.3% in 4QFY24.
- The cost of production (CoP) for Zinc fell 5% YoY to USD994/t in 4Q, led by better grades and recovery and lower costs with operational efficiencies.
- APAT stood at INR30b (+47% YoY/+12% QoQ) against our est. of INR25.8b.
- Mined metal production stood at 311kt (+4% YoY/+17% QoQ), driven by better metal grades and an increase in production at Agucha/Zawar mines.
- Refined metal production rose 4% QoQ (-1% YoY) to 270kt, in line with plant availability. Refined zinc production was up 5% QoQ (-3% YoY) at 214kt and lead production grew 2% QoQ (+6% YoY) to 56kt.
- Saleable silver production stood at 177t (+10% QoQ), in line with lead production and higher WIP liquidation.
- In FY25, revenue stood at INR341b (+18% YoY), EBITDA was INR174b (+27% YoY), and APAT came in at INR104b (+33% YoY).
- For FY25, HZ reported mined metal production of 1,095kt (flat YoY), supported by improved mined metal grades and recovery in mills. Refined metal production stood at 1,052kt (+2% YoY), led by better plant availability and operational parameters. Refined zinc production was at 827kt (+1% YoY) and lead production at 225kt (+4% YoY). Saleable silver production fell 8% YoY to 687t, due to a change in mining sequence and lower silver input from SK mine.
- FY25 Zinc CoP was at USD1,052/t (four-year low), down 6% YoY on account of better volumes and grades, higher captive coal/RE share, and softened input cost with operational efficiencies.

## Key management commentary

- For FY26, HZ expects mined metal production of 1,125kt and refined metal production of 1,100kt. Zinc CoP is expected to be in the range of USD1,025-1,050/t.
- HZ expects power costs to decline by ~10% in FY26, as the share of renewable energy is expected to rise to 30-35% in FY26 from 13% in FY25. As a result, HZ anticipates cost savings of USD10-12/t.
- FY26 silver volume guidance is ~700-710t. The implementation of lead and silver recovery technology at Dariba will generate 27t silver and 6ktpa lead per year.
- Zinc prices are projected to remain stable at USD2,800-2,900/t, lead at USD2,000-2,015/t, and silver at USD3,300-3,800/t.

### Valuation and view

- HZ's 4QFY25 performance has been better than our estimates, aided by the company's focus on cost control. HZ continues to focus on improving production with tight cost-control measures. We largely retain our earnings estimates for FY26-27E and expect HZ to sustain its profitability. The favorable pricing scenario could also support the earnings.
- At CMP, HZ trades at 7.7x FY27E EV/EBITDA, and we believe the current valuation prices in all positive factors. **We reiterate our Neutral rating with a TP of INR460 (premised on 8x EV/EBITDA on FY27 estimates).**

## Highlights from the management commentary

### Performance guidance

- For FY26, HZ expects mined metal production of 1,125kt and refined metal production of 1,100kt.
- The decline in CoP during 4QFY25 was led by improved metal grades and softened input prices, along with operational efficiencies. For FY26, HZ expects zinc CoP to be in the range of USD1,025-1,050/t.
- For FY26, the company expects normalized average grades of ~7.5% (vs. 7.85% in 4QFY25) leading to a marginal rise in CoP in FY26 vs. 4QFY25, although operating efficiencies would offset the impact.
- HZ expects power cost to decline by ~10% in FY26, as the share of renewable energy is expected to rise to 30-35% in FY26 from 13% in FY25. As a result, HZ expects cost savings of USD10-12/t.
- FY26 silver volume guidance is ~700-710t. The implementation of lead and silver recovery technology at Dariba will generate ~27t silver & 6ktpa lead per year.
- With expansion, HZ targets to increase silver production to 1,200-1,300t, driven by higher silver grades from Zawar, SK, and Agucha mines.
- Zinc and silver prices surged 16% and 29%, respectively, in FY25, driven by persistent supply deficits, which management expects to sustain in CY25. Zinc prices are projected to remain resilient at USD2,800-2,900/t, lead at USD2,000-2,015/t, and silver bullish at USD3,300-3,800/t.

### Capacity update/capital allocation

- Its 510kt of DAP/NPK fertilizer plant at Chanderiya is progressing as per timelines and will be commissioned by 4QFY26.
- The 160ktpa roaster at Debari is expected to be commissioned in 1QFY26.
- Debottlenecking at Dariba Smelting Complex is expected to be completed by 2QFY26 and the debottlenecking at Chanderiya lead-zinc smelter in 3QFY26.
- Bamnia Kalan project is progressing well and the excavation work for portals is in progress. Management guided the production to start from FY28.
- FY26 growth capex is pegged at USD225-250m (subject to change with new project approvals).
- Mine development plan to reach 2mtpa run rate – HZ plans to increase its capacities from 1,200ktpa to 1,450ktpa in the first phase and then add another 500-550ktpa by FY28.

### Other Highlights

- Strategic hedging gains in FY25: INR1.5b, with INR550m in 4QFY25.
- HZ reached 13.1mt of metal reserves (net of production) and the total metal R&R stood at 29.6mt (net of production of 1.2mt in FY25) as of Mar'25. Management expects that at the current mining rates, R&R will run for more than 25 years.
- Zinc alloy plant generated EBITDA of INR1b in FY25 and is expected to generate INR2.5-2.75b in FY26 at full capacity.
- The company has implemented a pioneering initiative, Vedanta Metal Bazaar, an e-auction platform for metal sales, which has helped to link premiums with the market and improve transparency and customer centricity.

#### Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on [www.motilaloswal.com](http://www.motilaloswal.com). MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://online.reports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>.

A graph of daily closing prices of securities is available at [www.nseindia.com](http://www.nseindia.com), [www.bseindia.com](http://www.bseindia.com). Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

#### Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

#### For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

#### For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act") and together with the 1934 Act, the "Acts", and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

#### For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to [grievances@motilaloswal.com](mailto:grievances@motilaloswal.com).

#### Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

#### Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
