Sell

Earnings to remain weak amid a sluggish refining cycle

- MRPL's 4QFY25 EBITDA beat our estimates by 34%, as reported GRM came in ~USD1/bbl above our estimates at USD6.2/bbl. Adjusting for inventory gain, core GRM stood at ~USD5.8/bbl. However, PAT was affected by a higher-than-estimated tax rate. Refining throughput was in line with our estimate at 4.6mmt.
- Singapore GRM has weakened further in Apr'25TD, averaging USD3/bbl (vs. USD3.2/bbl in 4QFY25). We have a bearish stance on refining over FY26-1HFY28 due to strong ~2.5-3mb/d net refinery capacity additions globally over CY24-26, demand concerns led by rising trade tensions, and possibilities of a global macroeconomic slowdown.
- MRPL currently trades at 6.5x 1yr. fwd. EV/EBITDA and 1.7x 1yr. fwd. P/B. We value the stock at 5x FY27E EBITDA of INR51.6b to arrive at our TP of INR105. Reiterate Sell.

GRMs to remain rangebound at USD6-6.5/bbl; planned shutdown ahead

- In the 4QFY25 earnings call, MRPL's management guided GRMs to remain in the range of USD6.0-6.5 per bbl. Further, while current marketing margins are higher, the company expects INR3/lit net marketing margins for MS and HSD in the long term.
- While MRPL posted the highest-ever refinery throughput of 18.2mmt in FY25, FY26 throughput is likely to be ~17mmt, amid planned refinery shutdowns.

Robust retail outlet expansion; INR10b p.a. capex guided for FY26/27

- During FY25, the company achieved marketing volumes of 230tktl, driven by robust growth in HSD volumes. MRPL targets to achieve 300tktl+ volumes in FY26. Further, while 170+ retail outlets are operational currently, 150+ retail outlets are planned to be added in FY26.
- Management guided a capex of INR10b p.a. during FY26-27. About 50% of the capex shall be spent towards refineries (shutdown capex and replacements). The remaining 50% shall be spent on marketing, power infra, and other projects. The company shall continue to incur capex on value-added products.

FY27 GRM estimate cut to USD6.5/bbl; FY26 throughput moderated

- We have a bearish stance on refining over FY26-1HFY28 due to strong ~2.5-3mb/d net refinery capacity additions globally over CY24-26, demand concerns due to rising trade tensions, and possibilities of a global macroeconomic slowdown. We forecast SG GRM to average USD5/bbl in both FY26 and FY27. Hence, we cut our FY27 GRM assumption to USD6.5/bbl (USD7/bbl earlier). Further, we reduce MRPL's FY26 throughput to 17mmt, accounting for planned maintenance (earlier: 18mmt).
- We believe that our FY26/FY27 GRM assumptions are at the higher end of what the company has delivered historically and provide further downside risk to our EBITDA estimates.

- Following this earnings revision, our revised TP stands at INR105, premised on 5x FY27E EV/EBITDA.
- We believe a strong FCF generation of ~NR76.6b over FY26-27 and a debt reduction will result in a decline in the net debt-to-equity ratio to 0.5x by end-FY27 (vs. 1x on 31 Mar'25).
- However, at 1.7x FY26E P/B (FY26E RoE: 14.5%), we believe valuations for MRPL remain elevated.

Beat on EBITDA and PAT driven by higher-than-estimated GRM

- While MRPL's 4QFY25 refining throughput was in line with our estimates at 4.6mmt, reported GRM came in above our estimates at USD6.2/bbl (our estimate of USD5.3/bbl).
 - The resultant EBITDA stood 34% above our estimate at INR11.2b.
- PAT came in 103% above our estimate at INR3.6b.
- Profitability was also improved slightly by a forex gain of INR86m. However, the actual tax rate stood above our estimate.
- **In FY25**, net sales grew 5% to INR947b, while EBITDA/PAT stood at INR25b/INR506m (vs. INR78.3b/INR36b in FY24).
- **Other highlights:**
 - The Distillate yield reached a new peak of 81.93%, representing an improvement over the previous high of 78.77% recorded in FY24.
 - The highest-ever production of ATF/Benzene, at 2.72mmt/0.21mmt, was achieved during FY25, along with the record aromatic complex output of Reformate/95RON MS at 1.20mmt (previous best: 0.83mmt).
 - Bitumen train and PFCC wet gas scrubber projects were commissioned during the year.
 - The Devangonthi Marketing Terminal was commissioned, with dispatch of all three products (MS, HSD, and ATF) commencing during the year. Additionally, 66 new retail outlets (ROs) were commissioned, bringing the total to 167 ROs, including three new ROs in Tamil Nadu.

Valuation and view

- The stock is currently trading at an FY26E EV/EBITDA of 6.3x. Additionally, the dividend yield is expected to be a meager 1.7% in FY26 at the current price. Our GRM assumptions of USD6.5 per bbl for both FY26 and FY27 are also at the higher end of what the company has delivered historically.
- We value the stock at 5x FY27E EBITDA of INR51.6b to arrive at our TP of INR105. **We reiterate our Sell rating on the stock, implying a 23% potential downside from the CMP.**

Highlights from the management commentary

Inventory gain/(loss) and GRM performance:

- GRM stood at USD6.2/bbl IN 4QFY25.
- Inventory gain stood at USD0.42/bbl in 4Q.
- MRPL focuses on maximizing value-added products. The company is trying to maximize Benzene/ATF production. ATF/Benzene output increased 31%/65% YoY.
- The company is not making PX. However, MRPL makes and transfers reformat. This was up 30% YoY in 4Q.
- Petchem's marketing realizations were similar to QoQ.
- Russian crude imports and discounts are at par with other Indian players.
- At USD9 to 14 per bbl MS HSD cracks, MRPL's GRMs should be better.
- GRM includes marketing margins as the company has only one reportable segment.
- Guidance: MRPL expects GRMs to stay in the range of USD6-6.5 per bbl. Throughput target: ~17mmt.

Retail outlet performance:

- 230tkt volumes were recorded in FY25. MRPL targets to achieve 300tkt+ volumes in FY26.
- In the long term, the company expects INR3/lit net marketing margins for MS and HSD (much higher currently).
- Growth guidance: 150+ retail outlets to be added in FY26 (170 ROs operating currently).

Capex:

- FY26/27 capex target: ~INR10b p.a.
- 50% capex in towards the refinery maintenance capex (shutdown capex and replacements).
- The remaining 50% shall be over marketing, power infra, and other projects.
- The company shall also incur capex on value-added products.
- The D/E ratio should be at current levels (~1x).

Green Hydrogen Project:

- About 500tpa capacity project within the refinery is being re-tendered.
- A larger project is under the BOT model.

Distillate Yield:

- Distillate Yield stood at 81.93% in FY25 (78.77%/71.2% in FY24/22).

30% exposure to exports:

- The company has a ~30-35% export exposure. MSD, aromatic complex reformat, ATF, and Benzene are the key products exported.
- The company does not have any B2N contracts. There are spot contracts.
- MRPL is now entering a contract with a trader.
- Selling domestically is always beneficial for MRPL. The export only when unable to sell domestically.

Gas usage at MRPL:

- Gas usage stood at 0.55mmscmd in FY25. The company targets gas use of 0.65-0.7mmscmd in FY26.
- The grid power infra project should be completed this year.
- Fuel loss would come down by 0.4% in the next 18-24 months, led by the Power Infra project.

Exhibit 1: Throughput stood at 4.64mmt in 4QFY25, implying 124% capacity utilization

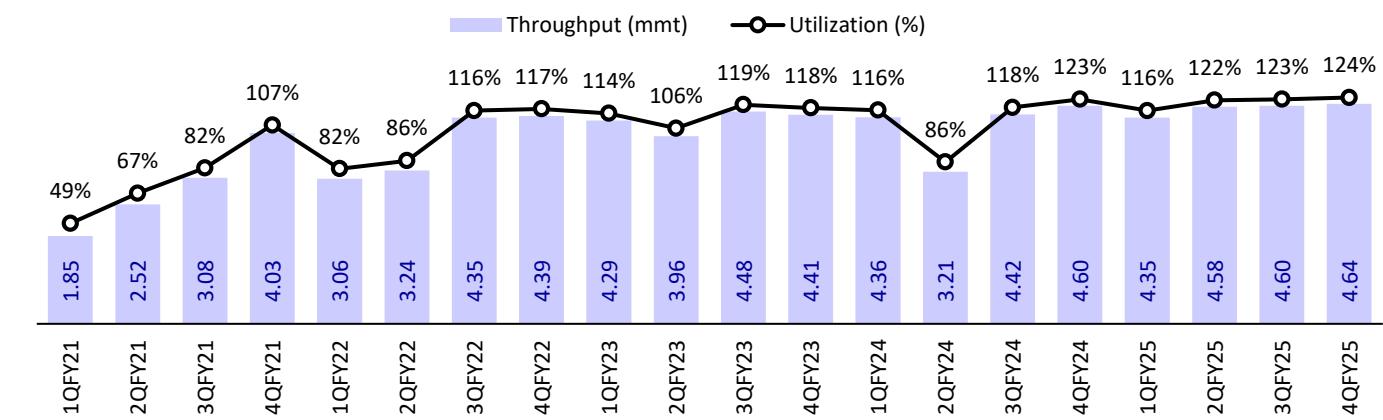

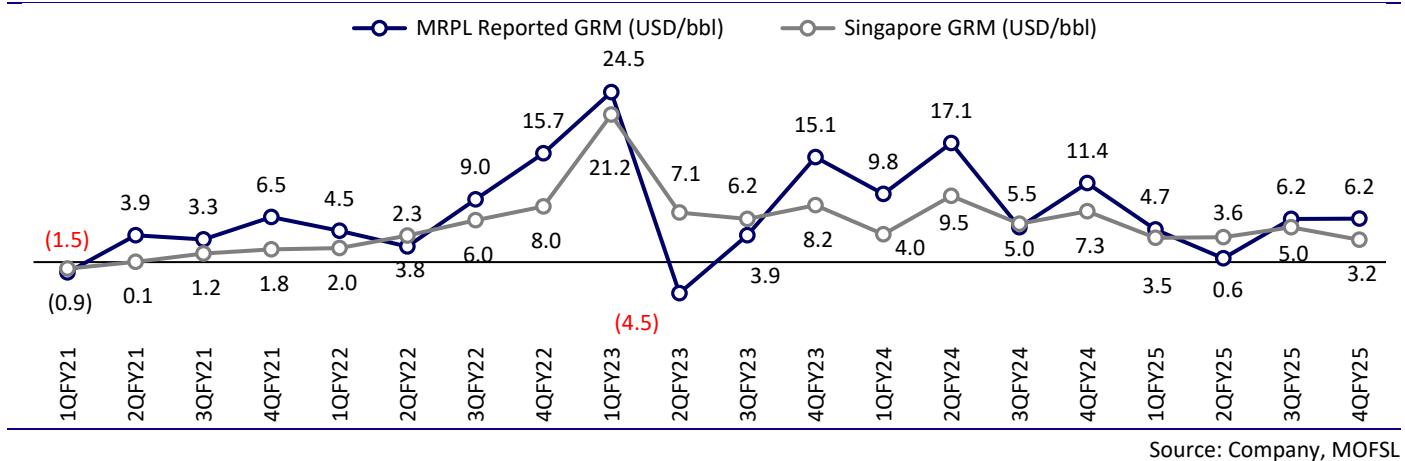

Exhibit 2: Reported GRM stood at USD6.2/bbl in 4QFY25, flat QoQ

Story in charts

Exhibit 3: Expect throughput of ~17mmtpa in FY26...

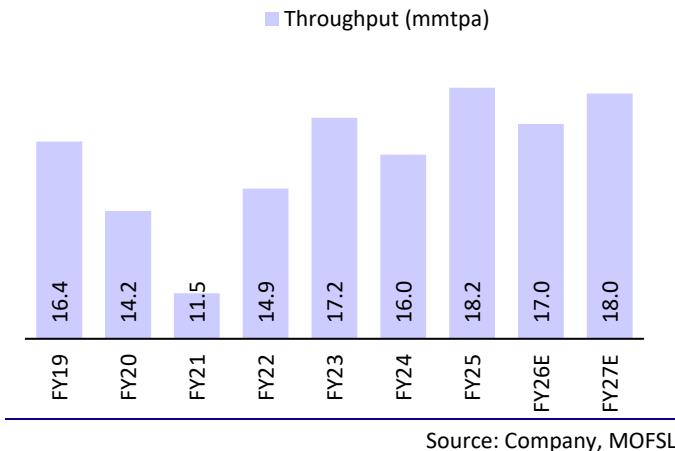

Exhibit 4: ...with reported GRM of ~USD6.5/bbl

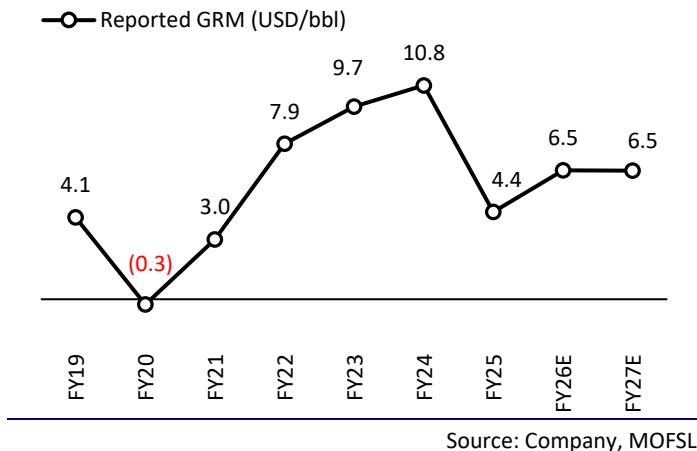

Exhibit 5: Expect EBITDA at ~INR52.8b in FY26

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interest pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendation in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no warranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alterations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
