MULTI-YEAR HIGHS/LOWS

- ❖ Nifty seems poised to outperform Gold
- ❖ The tides of change: DIIs overtake FIIs in Nifty-500 ownership
- ❖ Forex fortunes: Reserves rise for the third consecutive month
- ❖ Hiring slowdown: Top service employers put on the brakes

VALUATIONS

- ❖ Valuations retreat from the FY25 peak; Pvt. Bank multiples expand
- ❖ Nifty's 12-month forward P/E trades near its LTA
- ❖ EY/BY accelerates MoM; India's bond yield settles down
- ❖ India's market cap-to-GDP ratio moderates from the FY25 highs

A view from the EAGLE'S EYE!

KEY EXHIBITS Nifty seems poised to outperform Gold

- ❖ Ongoing geopolitical challenges, weak global equity markets, and strong demand from central banks have driven domestic gold prices to an all-time high over INR100,000 per 10g.
- ❖ The comparison between gold price and Nifty-50 index trends suggests that the prospects of equities outperforming gold have turned higher going forward.

Gold price to Nifty-50 trend: The ratio rose above the 15-year average and is nearing the FY16 peak

Difference between the 10-year CAGR of the Nifty-50 Index and Gold price: Approaching FY21 lows

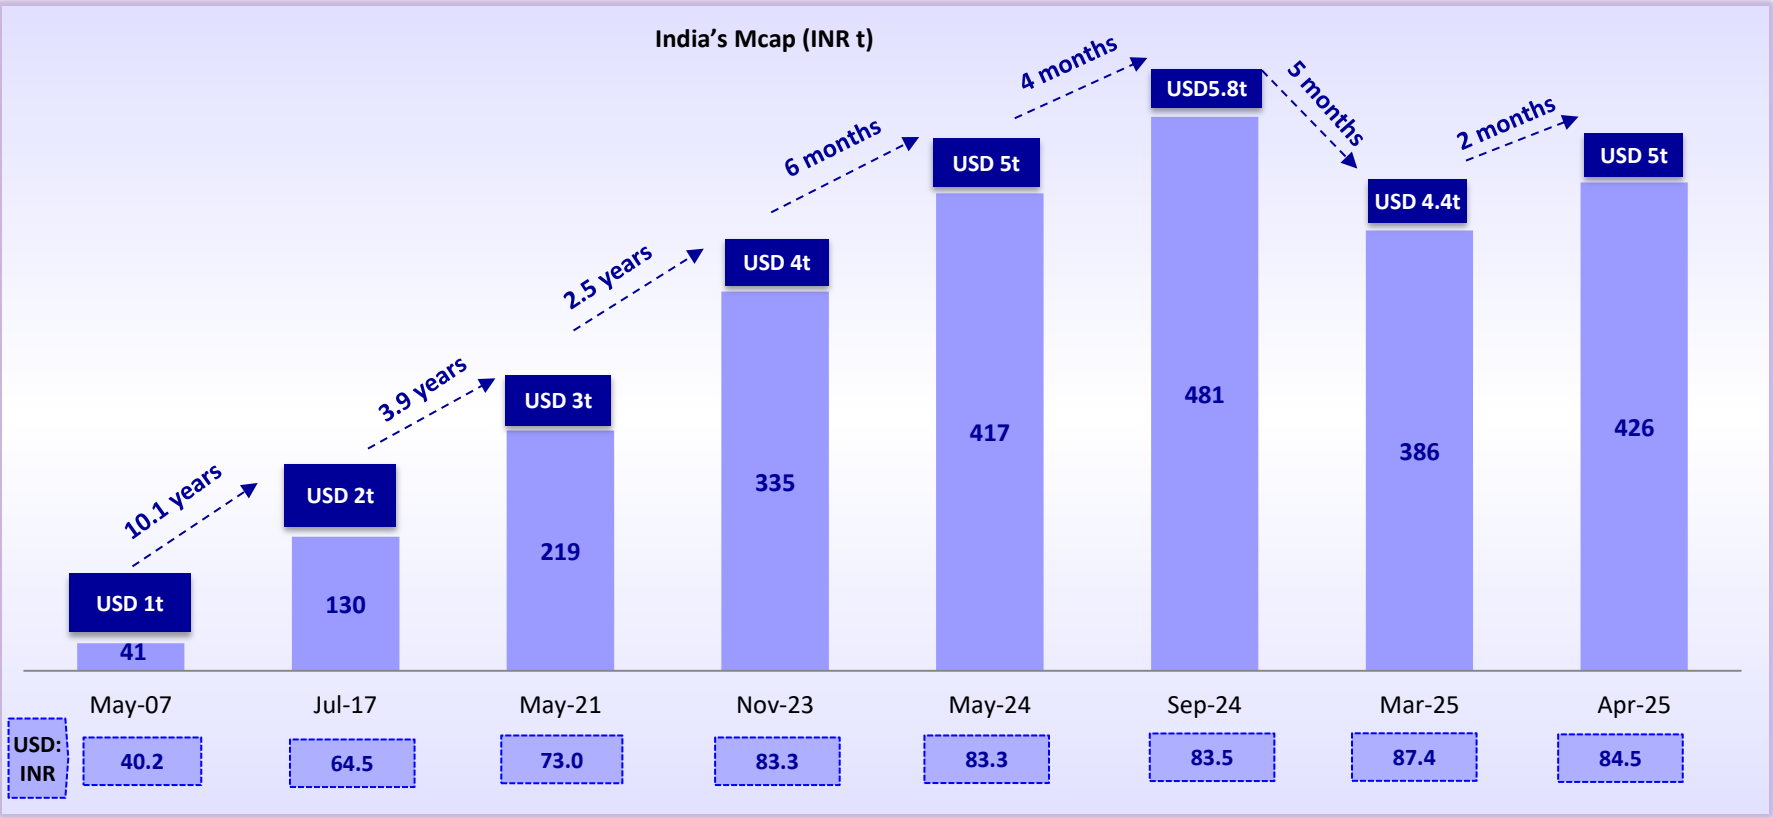

Note: The exhibit shows the difference between the rolling 10-year CAGR of the Nifty 50 and that of gold prices

KEY EXHIBITS

India's market cap rebounds from the March lows to reach USD5t

❖ India's listed market cap declined 20% from its Sep'24 highs but rebounded 10% from its Mar'24 lows. It is now at the USD5t market cap level.

India's listed market cap trend (USD, INR)

Note: Market cap in as of the lows of Mar'03, 2025 and Apr'30, 2025

- ❖ Stock prices of ~92% of NSE-500 companies declined between the Sep'24 highs and Mar'25 lows, while ~85% of the companies posted a stock price increase between the Mar'25 lows and Apr'25.
- ❖ While the NSE-500 index is 10% below its Sep'24 highs, about 65% of NSE-500 companies are still 10% below the levels of the Sep'24 market highs.

Count and performance of NSE-500 companies between the Sep'24 highs and Mar'25 lows (NSE-500 fell 19%)

Count and performance of NSE500 companies between the Mar'25 lows and Apr'25 (NSE-500 rose 11%)

Note: We have used the NSE-500 index for comparing market highs and lows.

KEY EXHIBITS The tides of change: DIIs overtake FIIs in Nifty-500 ownership

- ❖ The dominance of domestic flows led to a significant shift in institutional holdings across India Inc.
- ❖ FII ownership in the Nifty-500 dipped to an all-time low of 18.8%, while DII ownership rose to a record high of 19.2%. As a share of the free float, FIIs' ownership dropped to a historic low of 37.3%, whereas DIIs' ownership jumped to 38% in Mar'25.

Institutional ownership in NSE500 (%)

As a proportion of free float, FIIs' share declined to an all-time low, while DIIs' share continued to rise

KEY EXHIBITS DXY weakens; INR, Yuan, and Yen recover from their lows

- ❖ INR, Chinese Yuan, and Yen have strengthened from their lows as the DXY drops from its peak levels in CY25 YTD.
- ❖ DXY dips 9.6% from the CY25YTD high of 110, while the INR appreciates from the 3.6% CY25YTD lows from the lows of 87.6.

Exchange rates vs USD: Changes from CY25 highs

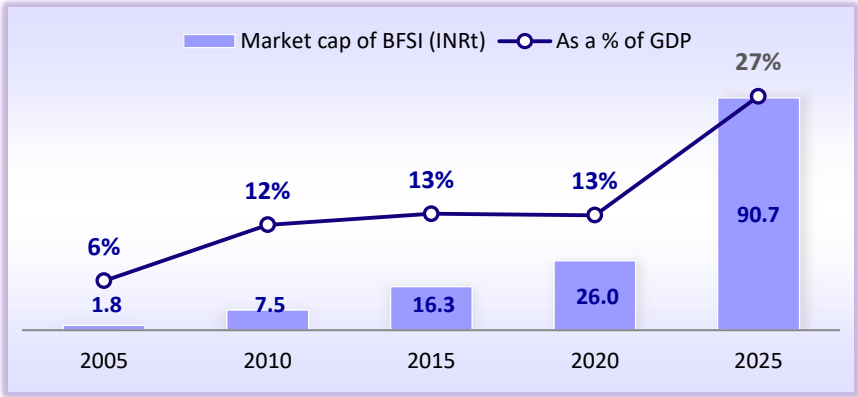

DXY vs INR

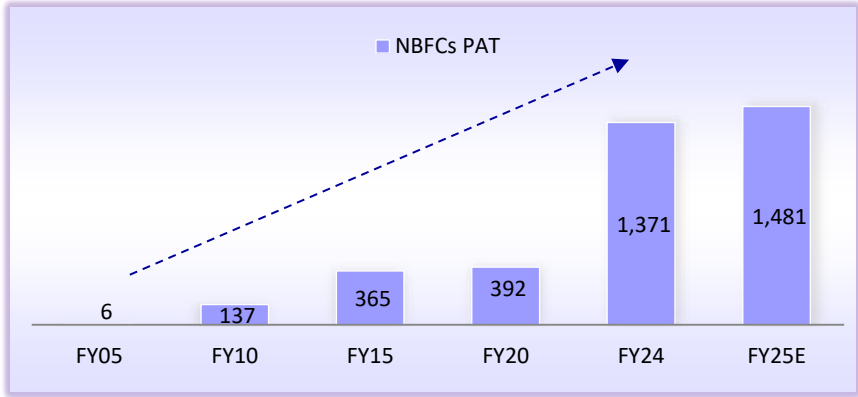

KEY EXHIBITS The Changing Face of BFSI

- ❖ The BFSI sector has undergone a profound transformation driven by digitalization, regulatory reforms, the growth of fintechs, and demographic dividends.
- ❖ The Indian banking sector has strengthened significantly over the past decade, driven by improved asset quality, regulatory reforms, and enhanced capital buffers. This has translated into a sharp jump in profitability, with record-high net interest margins and return on assets across both PSB and Private banks.
- ❖ We believe that the next phase will witness hyper-personalized banking experiences, driven by AI and decentralized finance, alongside the growing adoption of Central Bank Digital Currencies (CBDCs). [Detailed Report link](#)

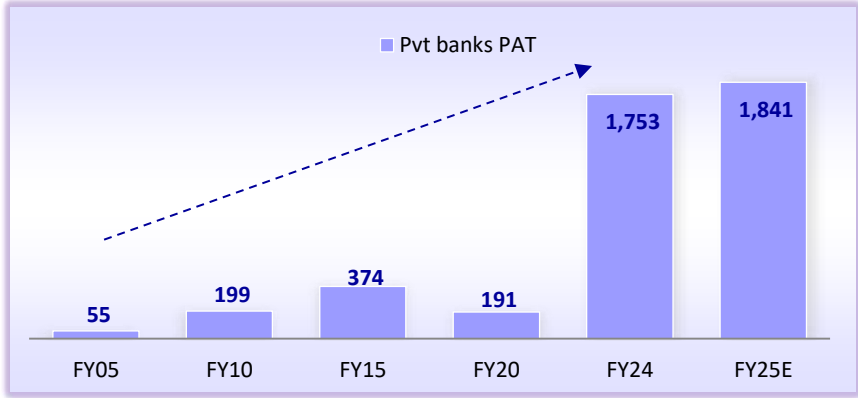

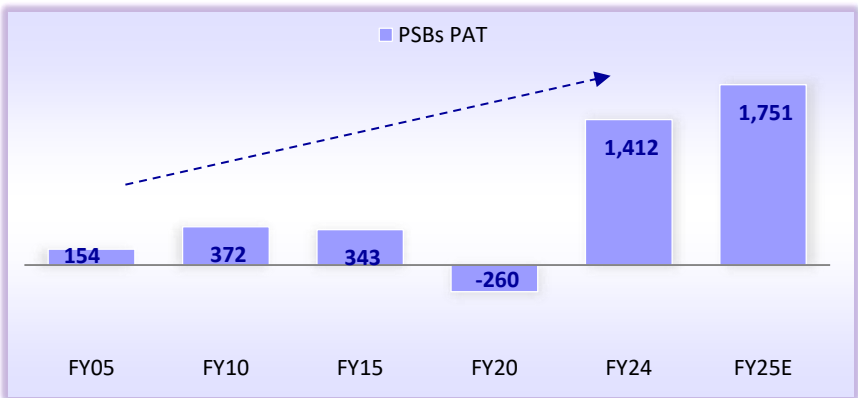

The BFSI sector’s market cap has surged over 50x in the past two decades, rising from 6% of GDP to 27% by 2025

Aggregate NBFC earnings grew multifold in the past two decades

PSBs have shown a sharp earnings surge with aggregate earnings hitting INR1.7t in FY25E Private Bank’s earnings have jumped ~10x from the lows of FY20 to INR1.84t in FY25E

Note: Analysis of the Indian BFSI sector is based on 70 BFSI companies under MOFSL coverage.

KEY EXHIBITS

Key Asian markets, except China, see FII exodus in CY25YTD

- ❖ Key equity markets have witnessed significant FII outflows in CY25YTD.
- ❖ India/Japan/Indonesia/South Korea/Taiwan have seen FII outflows of USD12.3b/12.8b/3.1b/12.3b/18.5b in CY25YTD.
- ❖ India experienced a pickup in FII flows over the past two months, while flows in other countries remained volatile.

FII flows (USD b)

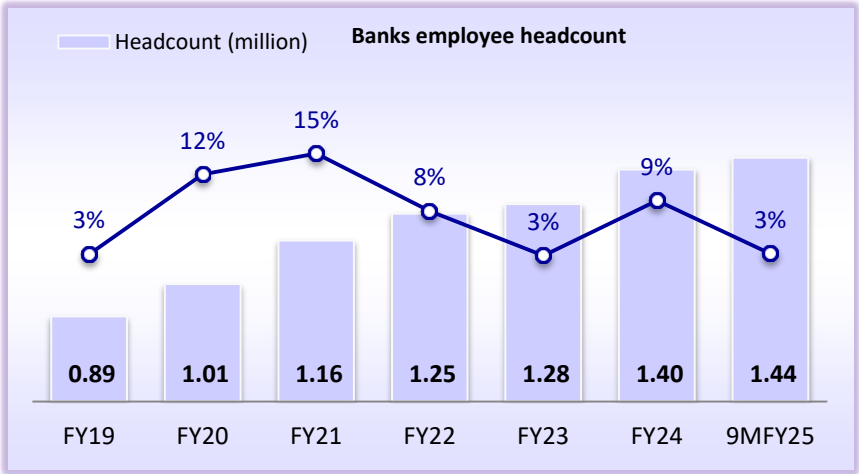

Source: Bloomberg, Note: FII flows for China are as of March 31, 2025, while those for Japan are as of March 18, 2025.

KEY EXHIBITS

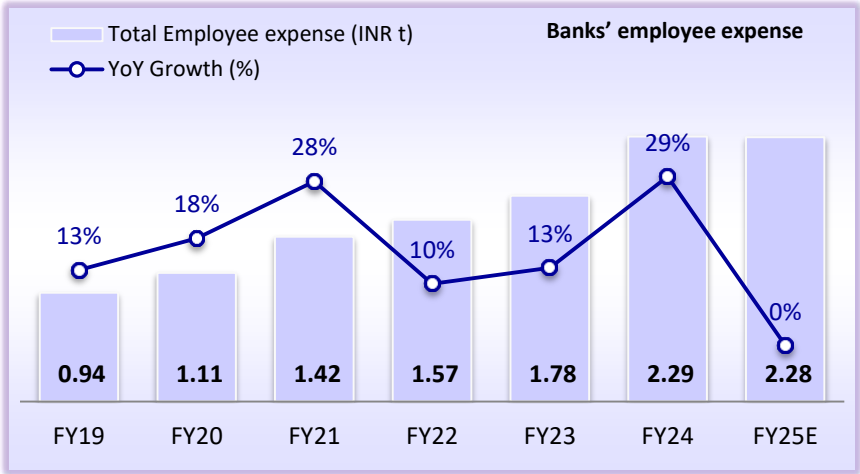

Hiring slowdown: Top service employers put on the brakes

❖ Aggregate employee headcount growth in India’s two large services sectors depicted a significant slowdown.

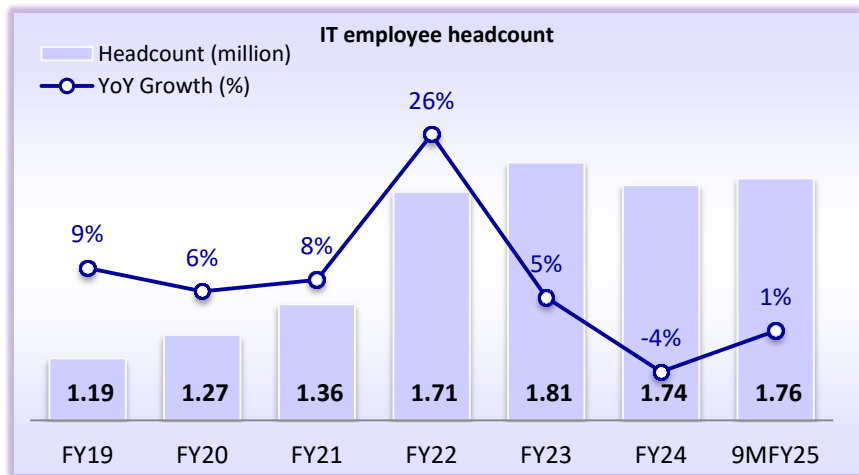

Headcount of MOFSL Banking Universe

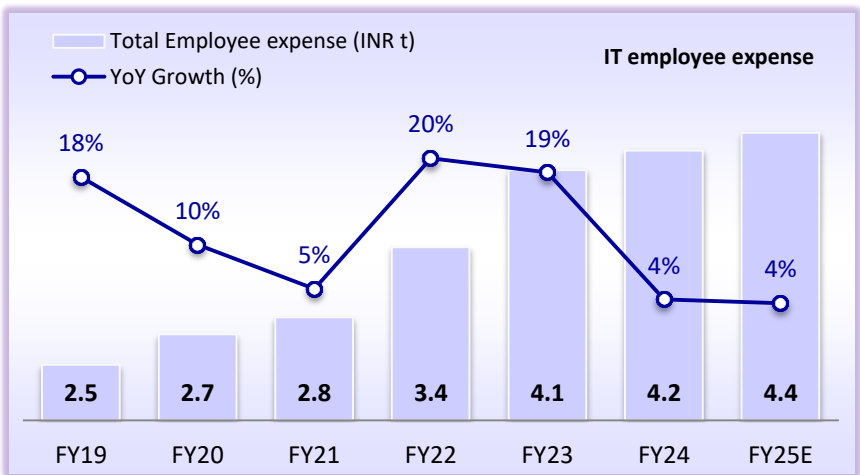

Employee expenses of MOFSL Banking Universe

Headcount of MOFSL IT Universe

Employee expenses of MOFSL IT Universe

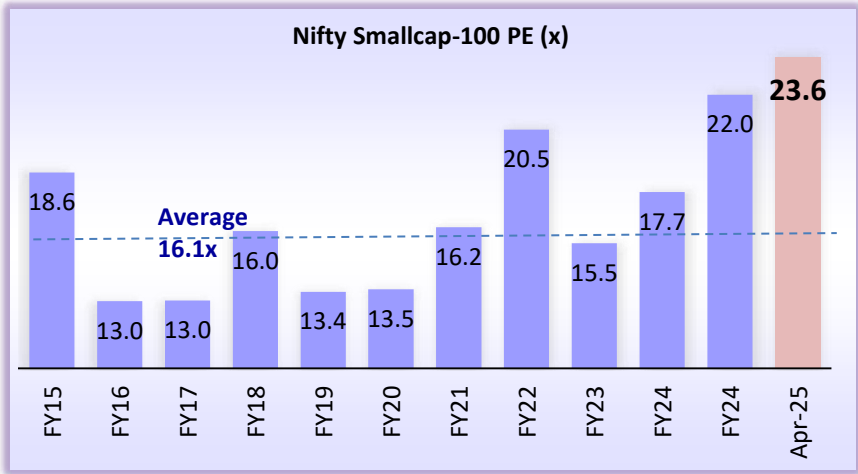

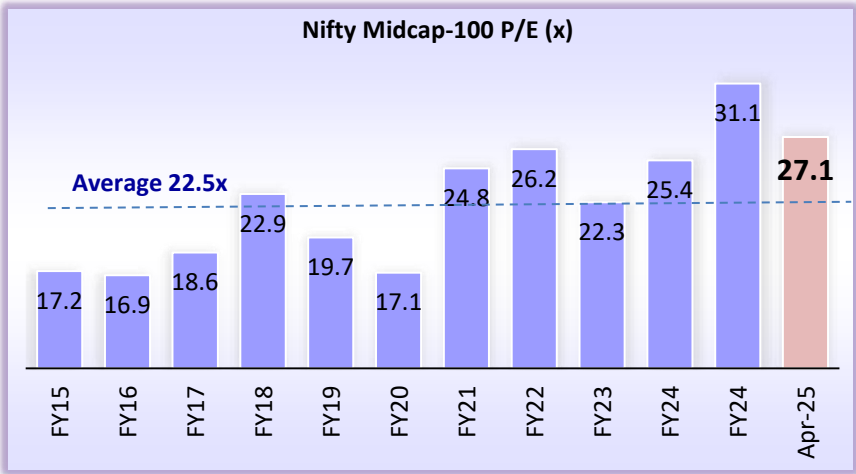

Note: We have considered 12 Private and 8 Public Sector Banks and 12 IT companies under MOFSL coverage to represent industry trends.

KEY EXHIBITS Large-caps fair; broader markets still expensive

- ❖ The 12M forward P/E of Nifty-50 is 12% below its Sep'24 high, while mid- and small-cap valuations have fallen 22% and 1%, respectively, over the same period.
- ❖ Nifty-50 is trading at its LTA, while mid- and small-cap indices are trading at 20% and 47% premiums to their LTA, respectively.

12M forward P/E trends across Nifty-50, Nifty Midcap-100 and Nifty Smallcap-100 indices (x)

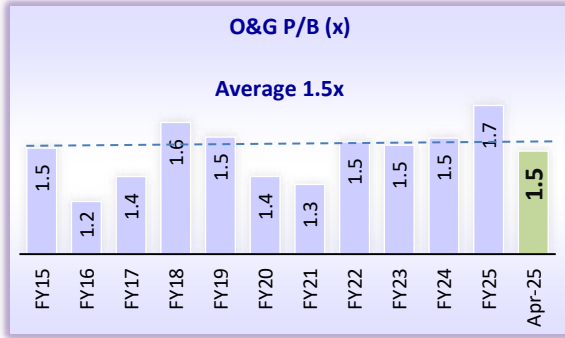

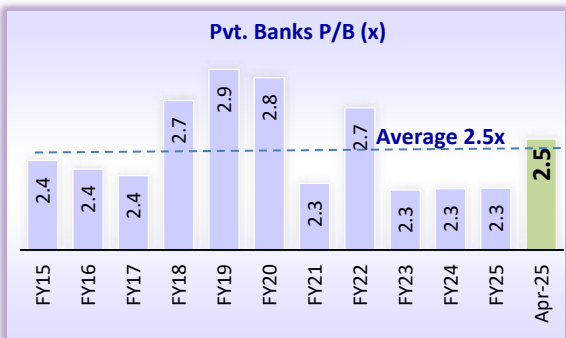

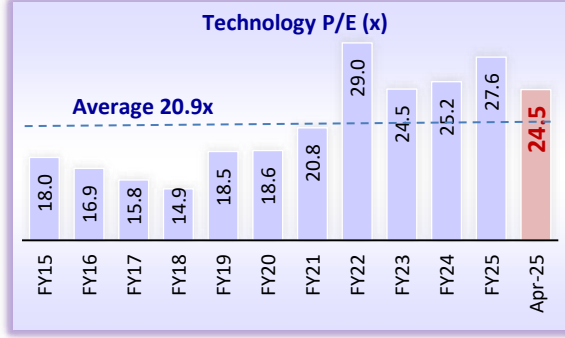

Note: The 12-month average of one-year fwd P/E is considered for the year

KEY EXHIBITS

Valuations retreat from the FY25 peak; Pvt. Bank multiples expand

❖ Valuations trading below the 10-year average for Auto, Private Banks, and Oil & Gas. However, remain above the 10-year average for Consumer, Capital Goods, Healthcare, Technology and Metals.

Note: The 12-month average of one-year fwd P/E and P/B has been considered for the year across MOFSL Universe sectors.

Nifty	100	100	100	100	100	100	100	100

Note: The merger of HDFC Bank and HDFC Ltd. resulted in a shift in weightage from NBFCs to private banks in CY23. Britannia and BPCL were replaced with Jio Financials and Eternal in Mar'25

FII flows gather steam; DII inflows slow down

- ❖ FII flows remained positive for the second consecutive month. Meanwhile, DIIs invested USD3.3b, marking their 21st consecutive month of inflows.
- ❖ In CY25YTD, DIIs have invested ~USD25.1b, while FIIs have sold ~USD12.3b worth of Indian equities.
- ❖ During CY21-CY25YTD, DII inflows have totaled ~USD155b, whereas net FII outflows stood at ~USD5b.

Monthly institutional flows (USD b)

Monthly average cash and F&O volumes rise MoM

- ❖ Monthly average cash volumes rose 2% MoM in Apr'25 to INR1,063b (down 36% from the Jun'24 high). Non-institutional participation, which accounted for 46% of the total cash volumes, was up 500bp MoM.
- ❖ Monthly average F&O volumes were up 5% MoM at INR368t (down 31% from the Sep'24 high).

India-US 10Y yield spread further narrows MoM

❖ The GoI 10-year bond yield slipped 20bp MoM to 6.4% in Apr'25, while the US yield remained flat at 4.2%. As a result, the yield spread dipped 20bp MoM to 2.2%.

India-US 10Y bond yield (%)

Source: Bloomberg, MOFSL

Forex fortunes: Reserves rise for the third consecutive month

- ❖ India's forex reserves rose 3% MoM to USD686b in Apr'25 (up 9% from the Jan'25 lows of USD631b).
- ❖ On the currency front, INR:USD strengthened 1.1% MoM to 84.5 (down 1.5% YoY).

Source: Bloomberg, MOFSL

Key reports from MOFSL's research desk in Apr'25

Initiating Coverage | Hindustan Aeronautics | Charting the next frontier in Defense!!

[Report link>>](#)

- ❖ Hindustan Aeronautics (HAL) is a market leader in aerospace defense. It boasts a strong order book of INR1.8t as of Mar'25, along with a promising prospect pipeline of INR6t. The company is transitioning from a traditional licensed model to an indigenized model and is currently working on marque projects such as Tejas Mk1, Tejas Mk1a, Su-30 upgrade, Dornier25, and Light Utility Helicopter (LUH), et al. We expect HAL to benefit from 1) a strong pipeline of projects, 2) execution scale-up aided by large platform orders, 3) a stable stream of RoH revenues, 4) backward integration, and 5) a healthy 29%/33%/29% revenue/EBITDA/PAT CAGR over FY25-27.
- ❖ We initiate coverage on the stock with a BUY rating with a TP of INR5,100 based on average of DCF and 32x P/E on Mar'27 estimates. We believe that near-term catalysts will emerge when aircraft deliveries commence as engine supplies from GE resume, while medium- to long-term triggers will stem from the finalization of orders for 97 Tejas-Mk1A, Tejas MK-II, LUH, Advanced Medium Combat Aircraft (AMCA), et al.

Initiating Coverage | Niva Bupa Health Insurance | Citius, Altius, Fortius!

[Report link>>](#)

- ❖ Niva Bupa Health Insurance (Niva) has emerged as one of the fastest-growing health insurers, delivering a CAGR of ~34% during FY22-25 and garnering the highest incremental market share in the retail health segment. We expect the growth momentum to remain strong and estimate a CAGR of 25% in gross written premium (GWP) over FY25-28E (Pre 1/n).
- ❖ Niva has a diversified product mix, with retail/group health accounting for 68%/31% as of 9MFY25. Consistent innovations and right pricing will boost momentum in its retail health segment (33.5% CAGR in FY22-24). The company has a well-diversified distribution model, with agents/corporate agents/ brokers/direct contributing 30%/28%/29%/13% of the mix in 9MFY25.
- ❖ We expect the company to report a CAGR of 25%/32% in pre-1/n GWP/PAT over FY25-28. We initiate coverage on Niva with a TP of INR100, based on 40x FY27E P/E on IFRS PAT.

Initiating Coverage | Blue Jet Healthcare | Ascending the value chain

[Report link>>](#)

- ❖ BLUEJET is on the path to building a legacy business in line with this philosophy. With its niche product offerings in Contrast Media and Pharmaceutical Intermediaries & API, BLUEJET has been changing the way the healthcare industry caters to the therapeutic needs of patients around the globe. The company has established itself as a reliable supplier to its customers for the past three decades and is now working toward moving up the value chain by significantly increasing its investment in R&D.
- ❖ With existing products ramping up and new product launches in sight, we expect BLUEJET to post a CAGR of ~27%/24%/19% in revenues/ EBITDA/ PAT over FY25-27E, with a sharp uptick to be seen in the pharma Intermediaries segment.
- ❖ We expect FCF generation of INR3.6b during FY25-27E, with cumulative capex of INR5b. The stock is trading at a P/E of ~28x on FY27E EPS of INR24.7 and FY27E EV/ EBITDA of ~20x. We initiate coverage with a BUY rating on the stock with a target price of INR865, valuing the company at a P/E of 35x on FY27E EPS of INR24.7.

Valuations: Key observations

Valuations: Nifty's 12-month trailing P/E rises further MoM

- ❖ The 12-month trailing P/E for Nifty rose 4% MoM to 23.6x (down 7% from the Sep'24 high of 25.5x) and traded 4% above its LTA.
- ❖ At 3.5x, the 12-month trailing P/B was 12% above its historical average of 3.1x.

12-month trailing Nifty P/E (x)

12-month trailing Nifty P/B (x)

Valuations: Nifty's 12-month forward P/E trades near its LTA

- ❖ Nifty's 12-month forward P/E traded at 20.7x, near to its LTA and down 15% from the Sep'24 high.
- ❖ At 3.2x, the 12-month forward P/B traded at a premium of 12% to Nifty's historical average of 3.2x.

12-month forward Nifty P/E (x)

12-month forward Nifty P/B (x)

EY/BY accelerates MoM; India's bond yield settles down

- ❖ India's 10Y bond yield stood at 6.4% (down 20bp MoM). As a result, EY/BY traded at its LPA on a trailing basis and was at a premium on a forward basis.

Trailing Earnings Yield/G-Sec Yield (x)

Forward Earnings Yield/G-Sec Yield (x)

India's market cap-to-GDP ratio moderates from the FY25 highs

❖ India's market cap-to-GDP ratio is projected at 117% in FY26, down from the high of 146% in Sep'24.

BULLS & BEARS

INDIA VALUATIONS HANDBOOK

BULLISHNESS – BOUNDED RISK

Bullish trend seen for the second time after nearly two years of volatility. The market is showing signs of recovery, driven by strong earnings growth and positive sentiment. Key sectors like IT, Banking, and Pharma are leading the charge.

BEARISHNESS – VOLATILE RISK

Bearish trend seen for the first time since the start of the year. The market is showing signs of weakness, driven by global economic uncertainty and rising interest rates. Key sectors like Real Estate, Consumer Goods, and Healthcare are under pressure.

MARKET OUTLOOK

The market is expected to remain volatile in the short term, but long-term growth prospects are still bright. Investors should focus on quality stocks with strong fundamentals and diversify their portfolios to manage risk.

Explanation of Investment Rating	
Investment Rating	Expected return (over 12-month)
BUY	>=15%
SELL	< - 10%
NEUTRAL	> - 10 % to 15%
UNDER REVIEW	Rating may undergo a change
NOT RATED	We have forward looking estimates for the stock but we refrain from assigning recommendation

*In case the recommendation given by the Research Analyst is inconsistent with the investment rating legend for a continuous period of 30 days, the Research Analyst shall within following 30 days take appropriate measures to make the recommendation consistent with the investment rating legend.

Disclosures:

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Ltd. are available on the website at <http://onlinereports.motilaloswal.com/Dormant/documents/Associate%20Details.pdf>

Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

MOFSL, its associates, Research Analyst or their relatives may have any financial interest in the subject company. MOFSL and/or its associates and/or Research Analyst or their relatives may have actual beneficial ownership of 1% or more securities in the subject company at the end of the month immediately preceding the date of publication of the Research Report or date of the public appearance. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may have any other potential conflict of interests at the time of publication of the research report or at the time of public appearance, however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

In the past 12 months, MOFSL or any of its associates may have:

- received any compensation/other benefits from the subject company of this report
- managed or co-managed public offering of securities from subject company of this research report,
- received compensation for investment banking or merchant banking or brokerage services from subject company of this research report,
- received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company of this research report.

- MOFSL and its associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.
- Subject Company may have been a client of MOFSL or its associates during twelve months preceding the date of distribution of the research report.
- Research Analyst may have served as director/officer/employee in the subject company.
- MOFSL and research analyst may engage in market making activity for the subject company.
- MOFSL and its associate company(ies), and Research Analyst and their relatives from time to time may have:

a) a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein.

(b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

Above disclosures include beneficial holdings lying in demat account of MOFSL which are opened for proprietary investments only. While calculating beneficial holdings, It does not consider demat accounts which are opened in name of MOFSL for other purposes (i.e holding client securities, collaterals, error trades etc.). MOFSL also earns DP income from clients which are not considered in above disclosures.

To enhance transparency, MOFSL has incorporated a Disclosure of Interest Statement in this document. This should, however, not be treated as endorsement of the views expressed in the report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Analyst Certification

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report.

Disclosure of Interest Statement

Analyst ownership of the stock

Companies where there is interest

No

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to subject company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Financial Services Limited (SEBI Reg No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

MOTILAL Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under

applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.

This report is meant for the clients of Motilal Oswal only.
