

# MOST Market Roundup

# Market Update

**Nifty : 24,812.05 -41.35 (-0.17%)**

**Sensex : 81,444.66 -138.64 (-0.17%)**

- Equity benchmark Nifty ended slightly lower as concerns over a possible escalation in the Israel-Iran conflict and a rise in crude oil prices to a five-month high above \$76/bbl weighed on market sentiment. Caution also prevailed among traders ahead of the U.S. Federal Reserve's policy decision due later today.
- The market remained range-bound in large-cap stocks, while mid- and small-cap segments underperformed on account of profit booking. The advance-decline ratio for Nifty 500 stocks stood at 1:2.
- The Nifty index slipped 41 points, or 0.2%, to close at 24,798. Sector-wise, Nifty Metal and IT indices both declined nearly 1% due to profit-taking. However, select banking stocks witnessed gains, with small-cap lenders RBL Bank and Bandhan Bank rallying 4% each.
- Auto stocks saw renewed buying interest after reports suggested the Indian government is exploring Australia as an alternative source for rare-earth magnets — a key input for domestic auto manufacturers. As a result, the Nifty Auto Index rose 1%, with stocks like Maruti, M&M, and Eicher Motors gaining around 1% each.
- Globally, Asian and European markets showed mixed trends as growing expectations of deeper U.S. involvement in the Middle East conflict kept investors on edge. Market participants also stayed cautious ahead of the upcoming U.S. Fed policy announcement.

## Technical Outlook:

- Nifty index opened negative and witnessed a spike towards 24950 levels in the initial hour but failed to hold above the same and drifted lower throughout the day. It dropped to 24750 and witnessed slight recovery in the second half. It formed a doji sort of candle on daily frame and has got stuck in a range from the last three sessions.
- It needs to decisively cross 24950 for the next leg of rally to commence. Support based buying is intact but pressure at higher zones prevails. Now if it manages to hold above 24700, up move can be seen towards 24950 and 25200 zones while a hold below the same could see weakness towards 24700 then 24450 zones.

## Derivative Outlook:

- Nifty future closed negative with losses of 0.22% at 24813 levels. Positive setup can be seen in IndusInd bank, RBL Bank, DMART, Bandhan Bank, Trent, Delhivery, UNO minda, Maruti, KPIT Technologies and Cyient while weakness in NHPC, IEX, REC, Page Industries, Piramal Pharma, ACC, Chambal Fertilizers, NBCC, Tata Motors and Dalmia Bharat.
- On option front, Maximum Call OI is at 24900 then 25000 strike while Maximum Put OI is at 24500 then 24800 strike. Call writing is seen at 24800 then 25000 strike while Put writing is seen at 24750 then 24800 strike. Option data suggests a broader trading range in between 24300 to 25300 zones while an immediate range between 24600 to 25000 levels.

# Today's News

- **Reliance Infra** - Company has strategic partnership with French aerospace major Dassault Aviation to manufacture Falcon 2000 business executive jets in India for the global markets.
- **OnePlus partner Optiemus Electronics to make IoT devices in India** - OnePlus has partnered with Optiemus Electronics to manufacture premium Internet of Things (IoT) devices in India. Optiemus Electronics will provide the support required to increase level localization, reduce costs and improve supply chain.

Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

MOFSL, its associates, Research Analyst or their relatives may have any financial interest in the subject company. MOFSL and/or its associates and/or Research Analyst or their relatives may have actual beneficial ownership of 1% or more securities in the subject company at the end of the month immediately preceding the date of publication of the Research Report or date of the public appearance. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may have any other potential conflict of interests at the time of publication of the research report or at the time of public appearance, however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report..

In the past 12 months, MOFSL or any of its associates may have:

a. Received any compensation/other benefits from the subject company of this report

b. Managed or co-managed public offering of securities from subject company of this research report,

c. Received compensation for investment banking or merchant banking or brokerage services from subject company of this research report,

d. Received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company of this research report.

• MOFSL and its associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.

• Subject Company may have been a client of MOFSL or its associates during twelve months preceding the date of distribution of the research report.

• Research Analyst may have served as director/officer/employee in the subject company.

• MOFSL and research analyst may engage in market making activity for the subject company.

MOFSL and its associate company(ies), and Research Analyst and their relatives from time to time may

a) a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein.

b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst (are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

Above disclosures include beneficial holdings lying in demat account of MOFSL which are opened for proprietary investments only. While calculating beneficial holdings, It does not consider demat accounts which are opened in name of MOFSL for other purposes ( i.e holding client securities, collaterals, error trades etc.). MOFSL also earns DP income from clients which are not considered in above disclosures.

To enhance transparency, MOFSL has incorporated a Disclosure of Interest Statement in this document. This should, however, not be treated as endorsement of the views expressed in the report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Analyst Certification

The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report.

Disclosure of Interest Statement

Analyst ownership of the stock No

A graph of daily closing prices of securities is available at [www.nseindia.com](http://www.nseindia.com), [www.bseindia.com](http://www.bseindia.com). Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associate maintains arm’s length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to subject company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY 301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) “SFO”.
