Muted performance; forward-looking guidance remains positive

Earnings below our estimate

- Supreme Industries (SI) reported a muted quarter amid the ongoing challenges of volatile pricing and the early onset of monsoon, affecting demand. The company reported flat revenue YoY with volume growth of only 6% YoY to 184k MT. EBITDA margin contracted 250bp YoY to 12.2%, mainly affected by inventory losses.
- However, management guided strong volume growth in the plastic piping system for FY26 (15-17%) despite muted growth in 1Q. This was led by a positive demand outlook amid stabilizing prices at affordable levels and the likely addition of Wavin capacity (~75,000MTPA) in 2QFY26. The overall EBITDA margin was guided to be ~14.5-15.5% in FY26, supported by the absence of inventory losses, a higher share of VAP, and an expected improvement in capacity utilization.
- Factoring in its weak 1Q operating performance but strong guidance, we cut our FY26E earnings by only 8% (despite a miss of 24% in 1Q) while maintaining our FY27 estimate. We value the stock at 45x FY27E EPS to arrive at our TP of INR5,350. **Reiterate BUY.**

Margin contraction due to muted volumes and inventory losses

- Consolidated revenue was largely flat (-1%) YoY at INR26.1b (est. INR28.3b) while the volume grew 6% YoY to 183.8k MT, which was offset by a decline in realization (down 6% YoY, to INR142/Kg).
- Consolidated EBITDA declined -18% YoY to INR3.2b (est. INR3.9b) with an EBITDA margin of 12.2% (est. 14.0%), which contracted -250bp YoY. The EBITDA/Kg for the quarter was INR17.3/kg (-22% YoY). Adj. PAT declined 26% YoY to INR2b (est. INR2.6b).
- Plastic piping products reported a volume of 149k MT (+6% YoY) with revenue at INR17.9b (-4% YoY). EBIT stood at INR1.6b (-32% YoY), resulting in an EBIT margin of 8.8% (-370bp YoY). Realization came in at INR121/kg (-9% YoY), while EBIT per kg stood at INR10.6/kg (-36% YoY).
- For Industrial products, revenue stood at INR3b (-4% YoY), EBIT at INR176m (-10% YoY), and EBIT margin at 5.8% (-50bp YoY); for Packaging products, revenue was INR4b (+9% YoY), EBIT INR457m (+9% YoY), with an EBIT margin of 11.4% (flat YoY); and for Consumer products, revenue came in at INR984m (+1% YoY), EBIT at INR138m (-14% YoY), and EBIT margin at 14.0% (-250bp YoY).

Highlights from the management commentary

- Guidance:** Management guided a strong recovery in demand from 2QFY26 onwards, with channel restocking as inventory levels are below normal levels; normalization is expected by Sep'25. The company expects FY26 total volume growth of 14-15%, with plastic piping systems growing at a higher 15-17%. The EBITDA margin is projected to be 14.5-15.5%, and effective capacity utilization is likely to be 65-70% by year-end.

- **Capex:** The company expects cash outflow of ~INR13.5b in FY26, including INR3.1b for the Wavin acquisition. The balance will be invested for capacity addition across business verticals to drive product diversification. The company aims to expand plastic piping capacity to 1MMTPA by Mar'26. SI is also setting up a 5KMT window profile line in Kanpur.
- **Outlook:** SI remains optimistic about industry growth of ~9-10%. The overall business environment is improving, with a recovery expected in rural demand and sustained momentum in urban housing, infrastructure, and real estate segments. Moreover, supply-side volatility has reduced, with PVC prices stabilizing, but uncertainties remain around delayed government payments and the outcome of the ADD on PVC imports.

Valuation and view

- Macro headwinds have hit the industry, including SI, over the last few quarters; however, with PVC prices expected to stabilize around this level and demand likely to improve, we anticipate the growth momentum to pick up going forward.
- With strong guidance of a 14-15% volume growth and a healthy EBITDA margin of 14.5-15.5% in FY26 backed by capacity additions, better utilization, higher VAP mix, and no inventory losses, we expect SI to clock 13%/22%/24% CAGR in revenue/EBITDA/PAT over FY25-28E. We value the stock at 45x FY27 EPS to arrive at a TP of INR5,350. **Reiterate BUY.**

Highlights from the management commentary

Guidance and outlook

- The 1QFY26 demand was hit by the early arrival of the monsoon, particularly affecting the agri-piping segment, but a strong rebound is expected in housing and agriculture demand from the upcoming quarters.
- With destocking largely complete and channel inventory below normal levels, normalization is expected from Sep'25, and SI aims to outpace industry growth of ~9-10%, especially in the CPVC segment.
- 1QFY26 margins were significantly impacted by inventory losses estimated at INR500-600m, with some effect also seen in other expenses such as fixed overheads.
- For FY26, the company has guided for an EBITDA margin of 14.5-15.5%, supported by the absence of inventory losses, a higher share of VAP, and an expected improvement in capacity utilization from ~60% to 65-70% by year-end.
- The company has guided for total volume growth of 14-15% in FY26, with plastic piping system volumes expected to grow 15-17%, revised upward following the Wavin acquisition.
- With over 15k SKUs across 45 system offerings, the company remains focused on expanding its value-added product portfolio and launching innovative products like PP silent pipes and showers.

Segment-wise updates

- The Packaging Products segment witnessed strong volume growth of 10% in 1QFY26, driven by robust demand for cross-laminated and protective packaging, with no inventory losses; FY26 revenue is targeted at over INR10b compared to INR8.6b in FY25.
- The Composite LPG Cylinder business is expected to benefit from orders placed by BPCL (200k units) and IOCL (231k units), which will support improved capacity utilization.
- In the Gas Piping segment, Supreme has received DVGW certification for both pipes and fittings, enabling it to serve the ~700 KMTPA market, currently from its Gadegaon facility, with potential expansion to other regions.

Capex and expansion plans

- The total cash outflow planned for FY26 is ~INR13.5b, which includes INR3.1b towards the acquisition of *Wavin*, covering both purchase consideration and net working capital.
- The remaining outlay will be allocated towards organic capex across various business divisions to support growth and product diversification.
- Key capacity expansions include increasing plastic piping capacity from 870 KMTPA in Mar'25 to 1 MMTPA by Mar'26, with a major focus on CPVC products.
- The company is also setting up a 5 KMT window profile line in Kanpur and expanding its Material Handling division.
- Additionally, the OPVC segment is being scaled up with a capacity of 500 MT per month at two operational lines; it has started receiving orders and is targeting the replacement of DI pipes, particularly those with diameters 110-315mm.

Wavin acquisition

- The acquired facility has a capacity of 75 KMTPA and is expected to contribute around 30 KMT in volumes over the remaining eight months of FY26.
- The acquisition is scheduled to close by 1st August 2025, enabling integration and ramp-up in the current fiscal year.
- A seven-year technology licensing agreement has been signed with *Wavin Netherlands/Orbital* for advanced building and infrastructure systems to use in SAARC nations.
- While the initial contribution will be primarily volume-driven, the benefits from value-added products leveraging Wavin's technology are expected to begin from FY27.

Others

- PVC prices were volatile during 1QFY26, with an initial hike in April followed by a correction in June, resulting in a net decline over the quarter; current prices stand at approximately INR6768/kg.
- Prices have now stabilized at affordable levels, and no major fluctuations are anticipated in the near term.
- The company expects the final recommendation on anti-dumping duty for PVC imports by Oct–Nov'25.
- JJM receivables amounting to INR374m have been pending for over six months, indicating delays in fund disbursement.
- A full recovery of JJM-related payments is not expected in the immediate future.

Valuation and view

- Macro headwinds have hit the industry, including SI, over the last few quarters; however, with PVC prices expected to stabilize around this level and demand likely to improve, we anticipate the growth momentum to pick up going forward.
- With strong guidance of a 14-15% volume growth and a healthy EBITDA margin of 14.5-15.5% in FY26 backed by capacity additions, better utilization, higher VAP mix, and no inventory losses, we expect SI to clock 13%/22%/24% CAGR in revenue/EBITDA/PAT over FY25-28E. We value the stock at 45x FY27 EPS to arrive at a TP of INR5,350. **Reiterate BUY.**

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://onlinereports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal Capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal Capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guarantee, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alterations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
