Buy

Healthy in-line quarter; 1:1 bonus issue

Revenue/EBITDA/PAT grew 10%/12%/20% YoY in 1QFY26

TIME reported a healthy and in-line set of results in 1QFY26. Volume/revenue/EBITDA/PAT grew 14%/10%/12%/20% YoY. Volume growth of 14% was led by 17% rise in Overseas business, while India business grew 12%. EBITDA margin stood high at 14.4%. CFO of INR1.16b was majorly used for capex (INR434m) and debt reduction (INR374m) during the quarter. The board also approved a 1:1 bonus issue.

Focusing on high-margin VAP business

Value-added products (VAPs) are a high-growth (20-30% CAGR), high-margin (18%+) business for TIME. In 1Q, VAP revenue grew 15% YoY (IBC up 17%, CNG up 20%, LPG up 6%; 26% mix) with a high 18% EBITDA margin. The Established Products segment's performance remained moderate but stable, as 1Q revenue was up 8% YoY (74% mix) and EBITDA margin was 13.2%. Overseas business (volume/revenue up 17%/14% YoY, revenue mix 38%, EBITDA/PAT margins at 14.1%/7.9%) continued to outperform India business (volume/revenue up 12%/8% YoY, EBITDA/PAT margins at 14.7%/6.5%). TIME constantly evaluates the applications of composite products across industries that could generate immense revenue for it. With this, management aims to raise its VAP revenue mix from 27% in FY25 to 35% in the next 2-3 years and push EBITDA margin to ~15% (14.4% in FY25). It sees hydrogen composite cylinders as a big opportunity and has signed MoU with Drone Stark to develop hydrogen-powered drones using composite hydrogen cylinders and fuel cell technology. There is also a big market for fire extinguishers. It also plans to set up a recycling unit by investing INR1.2b over the next 3-4 years. US tariffs have no impact due to local manufacturing and selling of products. ([concall KTAs](#))

Plans to raise up to INR10b via QIP to fuel growth and balance sheet

TIME plans to raise up to INR10b via QIP for various activities, including capex, debt reduction, working capital, acquisitions, etc. Divestment of non-core assets continued (INR470m pending from INR1.25b identified). RoCE of 20% in FY26E will be driven by focussing on cost reductions through automation, re-engineering of machinery and moulds, and optimization of the working capital cycle. Products and manufacturing units consolidation is underway to boost efficiency.

Valuation and view

We maintain our earnings estimates after in-line results in 1QFY26. After clocking a CAGR of 16%/19%/39% in revenue/EBITDA/PAT over FY21-25, we now estimate a CAGR of 15%/16%/23% over FY25-28, to be fueled by its strong performance in the VAP segment (20% revenue CAGR, 18%+ EBITDA margin, revenue mix improving to over 30% from 27% currently). Pre-tax RoCE and RoIC are expected to expand from ~18.2% each in FY25 (FY24: 16-17%) to ~23% and 26% in FY28, respectively, led by healthy operating performance, improved plant efficiency, and tightening of the net working capital cycle. Driven by a robust outlook and attractive valuation (~17x FY27E P/E), we retain our BUY rating and TP of INR578 (31% upside potential), based on 22x FY27E P/E. ([our IC note dated 9th Jun'25](#))

1QFY26 earnings concall key takeaways

Business development and outlook

- Announced a 1:1 bonus issue.
- Focusing on higher-margin VAP business.
- Plans to raise up to INR10b via QIP for capex, debt reductions, working capital needs, acquisitions, etc.
- Non-core asset divestment (INR470m pending from INR1.25b identified).
- RoCE of 20% in FY26E will be driven by its continued focus on cost reductions through automation, re-engineering of machinery and moulds, and optimization of the working capital cycle.
- Strategic decision to consolidate products and manufacturing units in India and overseas underway to improve efficiency.
- Fundraise of up to INR10b through QIP is valid till 27th Nov'25.
- Signed MoU with Drone Stark to develop hydrogen-powered drones using composite hydrogen cylinders and fuel cell technology.
- To transform 75% of electricity consumption to green energy within the next two years through a tie-up with solar power generating companies.
- To set up a recycling unit by investing INR1.2b over the next 3-4 years in fully automated recycling plants across key Indian regions (West, North, South, East) with the capacity to process up to 60,000 MT of plastic annually.
- US tariffs have no impact due to local manufacturing and selling of products.
- Continuously putting efforts in R&D to develop composite products for new applications, which can have a big market in few years.
- Fire extinguisher is also a big market; Indian Railway has mandated to use only composite cylinders in the new Vande Bharat trains.

1QFY26 performance

- Volume/revenue/EBITDA/PBT/PAT grew 14%/10%/12%/18%/20% YoY.
- EBITDA margin was healthy at 14.4%.
- Volume growth of 14% was led by 17% rise in overseas business, while India business grew 12%.
- CFO was healthy at INR1.16b, spent on capex (INR434m) and debt reduction (INR374m) during the quarter.

Operating metrics (1QFY26)

- Established Products: revenue up 8% YoY, revenue mix 74%, EBITDA margin 13.2%
- VAP: revenue up 15% YoY (IBC up 17%, CNG up 20%, LPG up 6%), revenue mix 26%, EBITDA margin 18%
- India: volume/revenue up 12%/8% YoY, revenue mix 62%, EBITDA margin 14.7%, PAT margin 6.5%
- Overseas: volume/revenue up 17%/14% YoY, revenue mix 38%, EBITDA margin 14.1%, PAT margin 7.9%
- Polymer Product: revenue up 7% YoY, revenue mix 64%, EBITDA margin 13.9%
- Composite Products: revenue up 15% YoY, revenue mix 36%, EBITDA margin 15.4%
- Capacity utilization: blended ~85%

Valuation and view: reiterate BUY

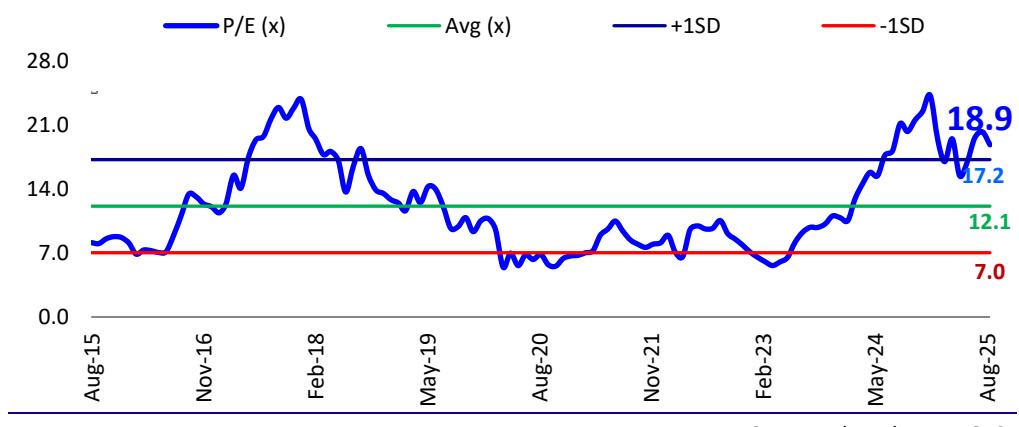

- TIME is a leader in industrial packaging and composite products in India and ranks among the top 3 players globally. We are upbeat on the prospects of 1) its value-added composite products business (LPG cylinders, CNG cascade cylinders, etc.), 2) its stable and long-standing industrial packaging business (drums, jerry cans, IBC, etc.), and 3) its focus on improving margins and return ratios while aiming to be a net-debt-free company by FY27.
- We maintain our earnings estimates after an in-line results in 1QFY26. After clocking a 16%/19%/39% CAGR in revenue/EBITDA/PAT over FY21-25, we now estimate a 15%/16%/23% CAGR over FY25-28, to be fueled by its strong performance in the VAP segment (20% revenue CAGR, 18%+ EBITDA margin, revenue mix improving to over 30% from 27% currently). Pre-tax RoCE and RoIC are expected to expand from ~18.2% each in FY25 (FY24: 16-17%) to ~23% and 26% in FY28, respectively, led by healthy operating performance, improved plant efficiency, and tightening of the net working capital cycle.
- Driven by a robust outlook and attractive valuation (~17x FY27E P/E), we retain our BUY rating and TP of INR578 (31% upside potential) on TIME, based on 22x FY27E P/E.

Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on www.motilaloswal.com. MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://onlinereports.motilaloswal.com/Dormant/documents/ListOf200of%20Associate%20companies.pdf>

MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may: (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal Capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal Capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act" and together with the 1934 Act, the "Acts"), and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to grievances@motilaloswal.com.

Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no warranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alterations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, nor its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profit that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
