## Potential AGR relief a positive, but several factors must align for sustained revival

- Vodafone Idea's (Vi) pre-IND AS EBITDA at INR22.5b rose 3% QoQ (-3% YoY) and came in ~5% above our estimate, driven by better non-wireless revenue growth (+7% QoQ and YoY, ~5.5% beat) and lower normalized network opex (+5% YoY, ~2% below our estimate).
- Operationally, subscriber losses remain contained at ~1m (in line), while ARPU inched up 1.2% QoQ to INR167 (+7% YoY, our estimate of INR166).
- Vi's capex moderated further to INR17.5b (~INR42b in 1H), with management expecting INR75-80b for FY26, based on its internal accruals. However, external fund raise remains critical for Vi to achieve its earlier guidance of INR500-550b capex plan over three years.
- Vi continued to lose market share as wireless revenue grew 0.8% QoQ (+2% YoY, in line), compared to ~3% QoQ growth for peers. On our estimate, Vi lost further ~20bp QoQ in revenue and subscriber market share to its private peers in 2QFY26.
- Recent Supreme Court judgement allowing the GoI to re-evaluate AGR dues for Vi is a positive outcome and could lead to the long-pending debt raise.
- However, beyond a potential reduction in AGR dues (we assume ~50% waiver), Vi will also require favorable payment terms for both AGR and spectrum dues, along with tariff hikes and a reduction in competitive intensity in customer acquisitions, to ensure a sustained revival. We note that the latter two factors are not entirely in Vi's control, and we would expect competitive intensity to increase if Vi becomes more competitive on subscriber additions.
- We raise our FY26-28 pre-INDAS EBITDA estimates by 2-6%, driven mainly by Vi's cost efficiency on containing network opex, despite accelerated 4G/5G rollouts. We **reiterate our Neutral rating on Vi with a revised TP of INR9.5**, based on DCF implied ~13x Dec'27E EV/EBITDA, as we see limited downside risks, given GoI's unwavering support to ensure Vi's LT survival.

## Slightly ahead, driven by better non-wireless revenue

- Vi's overall subscriber base at 196.7m declined 1m QoQ (vs. 0.5m net declines in 1QFY26 and in line with our estimates).
- Wireless ARPU rose 1.2% QoQ at INR167 (+7% YoY, vs. +1%/+2% QoQ for RJio/Bharti, and our est. of INR166), driven largely by one extra day QoQ and subscriber mix improvements (postpaid base ex-M2M up ~0.6m QoQ).
- Monthly churn inched up 20bp QoQ to 4.3% (vs. a 20bp QoQ uptick for Bharti at 2.9%) and remains a key monitorable.
- Wireless revenue at INR98.8b (+2% YoY, in line) was up 0.8% QoQ (vs. ~3% QoQ increase for Bharti/RJio), driven by a slightly better QoQ ARPU uptick.
- Reported EBITDA at INR46.9b (+1.6% QoQ, +3% YoY, vs. ~3.5-4% QoQ for Bharti-India wireless and RJio) was ~2% above our estimate, driven by higher revenue and lower network opex (+1% QoQ, 2% below).

### Shareholding Pattern (%)

| As On    | Sep-25 | Jun-25 | Sep-24 |
|----------|--------|--------|--------|
| Promoter | 25.6   | 25.6   | 37.3   |
| DII      | 53.8   | 53.2   | 28.0   |
| FII      | 6.0    | 6.0    | 12.7   |
| Others   | 14.7   | 15.3   | 22.0   |

FII includes depository receipts

- EBITDA margin was stable QoQ at 41.8% (up ~25bp YoY, +90bp/+20bp QoQ for Bharti-India wireless and RJio) and was ~35bp above our estimate.
- Pre-Ind-AS 116 EBITDA at INR22.5b (+5% above) rose ~3% QoQ (-3% YoY), as margin expanded ~30bp QoQ to 20.1% (-115bp YoY, 80bp beat).
- Losses narrowed to INR55b (vs. INR66b QoQ and our estimate of INR66b), primarily due to lower interest cost (-26% QoQ, one-time settlement with a vendor, we believe, Indus Towers).
- Net debt (excluding leases but including interest accrued) increased INR56b QoQ to INR2t. Vi still owes ~INR2.01t to Gol for the deferred spectrum and AGR dues. External/banking debt declined to ~INR15.4b (vs. INR19.3b QoQ).
- Capex moderated further to INR17.5b (vs. INR 24.4b in 1QFY26).

### Key highlights from the management commentary

- **Leadership transition:** Vi's erstwhile COO, Mr. Abhijit Kishore, has assumed the role of CEO from Aug'25, while Mr. Tejas Mehta has taken over as the CFO. Management emphasized continuity of strategic priorities, with increased focus on customer experience.
- **Capex:** 2Q capex stood at INR17.5b, which led to 1,500+ new broadband towers additions and enhanced 5G coverage to 29 cities across 17 priority circles. Management expects INR75-80b capex for FY26 (vs. INR42b in 1H) from Vi's internal cash flows, with a focus on enhancing coverage as well as capacity. A pick-up in capex beyond INR80b is contingent on closure of external fund raise.
- **AGR and debt raise:** Following the SC verdict on AGR dues, Vi believes Gol will take a suitable decision in the long-term interest of the company to maintain a 3+1 market structure in the Indian telecom industry. Management remains engaged with banks and NBFCs for long-pending debt raise and believes Gol's support to Vi's LT survival would support the company's funding talks.
- **Subscriber trends:** The slight increase in subscriber decline and churn was attributed to seasonality (similar to Bharti's commentary). However, management noted recent interventions such as Vi's non-stop unlimited data offering, its guarantee of two extra days on recharge over INR199, and revamped family postpaid offerings are driving better customer retention and improved traction in terms of data usage on Vi's network.

### Valuation and view

- The recent Supreme Court judgement allowing Gol to re-evaluate the AGR dues for Vi is a positive outcome and could lead to its long-pending debt raise.
- However, besides the potential reduction in AGR dues (we assume ~50% waiver), Vi also needs favorable payment terms for both AGR as well as spectrum dues, along with tariff hikes and a reduction in the competitive intensity on customer acquisitions, to ensure a sustained revival. We note that the latter two factors are not entirely in Vi's control, and we would expect competitive intensity to increase if Vi becomes competitive on subscriber additions.
- We raise our FY26-28 pre-INDAS EBITDA estimates by 2-6%, driven mainly by Vi's cost efficiency on containing network opex, despite accelerated 4G/5G rollouts.
- We **reiterate our Neutral rating on Vi with a revised TP of INR9.5**, based on DCF implied ~13x Dec'27E EV/EBITDA, as we see limited downside risks, given Gol's unwavering support to ensure Vi's LT survival.

## Detailed takeaways from the earnings call

- **Leadership transition:** Vi's erstwhile COO, Mr. Abhijit Kishore, has assumed the role of CEO from Aug'25, while Mr. Tejas Mehta has taken over as the CFO. Management emphasized continuity of strategic priorities, with increased focus on customer experience.
- **Capex:** 2Q capex stood at INR17.5b, which led to 1,500+ new broadband tower additions and enhanced 5G coverage to 29 cities across 17 priority circles. Management expects INR75-80b capex for FY26 (vs. INR42b in 1H) from Vi's internal cash flows, with a focus on enhancing coverage as well as capacity. A pick-up in capex beyond INR80b is contingent on closure of external fund raise.
- **AGR and debt raise:** Following the SC verdict on AGR dues, Vi believes Gol will take a suitable decision in the long-term interest of the company to maintain a 3+1 market structure in the Indian telecom industry. Management remains engaged with banks and NBFCs for long-pending debt raise and believes Gol's support to Vi's LT survival would aid the company's funding talks.
- **Subscriber trends:** Slight increase in subscriber decline and churn were attributed to seasonality (similar to Bharti's commentary). However, management noted recent interventions such as Vi's non-stop unlimited data offering, its guarantee of two extra days on recharge over INR199, and revamped family postpaid offerings are driving better customer retention and improved traction in terms of data usage on Vi's network.
- **Contained network opex:** Vi's reported network opex (primarily energy costs) have been stable for the past several quarters (in fact lower than Dec'23 levels), despite accelerated 4G/5G rollouts in the past few quarters. Management noted that cost efficiency measures on reducing diesel consumption and the shut down of 3G network were the key drivers.
- **Tariff hike:** Management reiterated the need for tariff hike and believes any potential tariff hike would not be impacted either positively or adversely by the impending relief on AGR dues.
- **Lower finance cost:** The sharp QoQ decline in finance cost was on account of settlement with one of the vendors (we believe it was with Indus Towers). Going ahead, finance cost would be more in line with 1QFY26 trends.
- **5G:** Vi has rolled out 5G in 29 cities across its 17 priority circles, marking a steady progress since the Mar'25 launch in Mumbai. Management refrained from sharing specific metrics on 5G, but indicated that 5G rollout is helping the company offload data traffic from 4G in its initial launch cities/circles. Further, the company has increased its introductory minimum commitment for unlimited 5G to INR349 (now in line with peers) in cities that saw initial 5G deployment.
- **Postpaid:** Postpaid subscriber base rose 1.3m QoQ, driven by M2M additions (~0.6m). However, the consumer postpaid base has also shown consistent growth over the past few quarters.
- **Vi Business:** Vi Business sustained strong momentum, supported by robust 5G infrastructure and a diversified portfolio across mobility, cloud, IoT, and cybersecurity. The company launched IoT Innovation Lab and introduced AI-powered managed Wi-Fi and secured hybrid SD-WAN solutions. On our estimates, Vi's non-wireless revenue witnessed a robust ~7% YoY growth (after several quarters of declining trend).

## 2QFY26 review: Slightly ahead, driven by better non-wireless revenue

- Vodafone Idea's (Vi) overall revenue came in at INR112b (+1.6% QoQ, +2% YoY, vs. our est. INR111b).
- Reported EBITDA at INR46.9b (+1.6% QoQ, +3% YoY, vs. ~3.5-4% QoQ for Bharti-India wireless and RJio) was ~2% above our estimate, on account of higher revenue and lower network opex (+1% QoQ, 2% below).
- Reported EBITDA margin was stable QoQ at 41.8% (up ~25bp YoY, +90bp/+20bp QoQ for Bharti-India wireless and RJio) and was ~35bp above our estimate.
- Pre-Ind AS 116 EBITDA at INR22.5b rose ~3% QoQ (-3% YoY) and was 5% above our estimate. Pre-Ind AS 116 EBITDA margin expanded ~30bp QoQ to 20.1% (-115bp YoY, 80bp above our estimate).
- Vi's reported losses narrowed to INR55b (vs. INR66b QoQ and our estimate of INR66b), primarily due to lower interest cost (-26% QoQ, one-time settlement with a vendor, we believe, Indus Towers).
- Vi's reported net debt (excluding leases but including interest accrued and not due) increased INR56b QoQ to INR2t. Vi still owes ~INR2.01t to GoI for deferred spectrum and AGR dues. External/Banking debt further declined to ~INR15.4b (vs. INR19.3b QoQ).
- Vi's capex moderated further to INR17.5b (vs. INR24.4b in 1QFY26).

## Wireless: In-line performance; ARPU uptick driven by subscriber mix improvements and one extra day QoQ

- Wireless ARPU was up ~1.2% QoQ to INR167 (+7% YoY, vs. +1%/+2% QoQ for RJio/Bharti, vs. our est. of INR166), driven by one extra day QoQ and subscriber mix improvements.
- Vi indicated that customer ARPU (excluding M2M) was up ~1.6% QoQ to INR180 (vs. +2.3% QoQ at INR256 for Bharti).
- Vi's overall subscriber base at 196.7m declined 1m QoQ (vs. 0.5m net declines in 1QFY26 and in line with our estimates).
- Vi's monthly churn inched up QoQ to 4.3% (vs. 20bp QoQ uptick for Bharti at 2.9%) and remains a key monitorable.
- Vi's postpaid subscriber base (including M2M) further improved QoQ (rising ~1.3m QoQ) to 27.9m, largely driven by ~0.7m M2M net adds.
- 4G/5G subscriber base inched up ~0.4m QoQ, while data subs declined ~0.1m. We believe Vi has lost ~0.8m pure-play data subs (excl. M2M subs).
- Wireless revenue at INR98.8b (+2% YoY, in line) was up 0.8% QoQ (vs. ~3% QoQ increase for Bharti/RJio), driven by a slight ARPU uptick.

## Other highlights: Data usage improves due to 5G launch and unlimited data offerings, but remains well below peers

- Enterprise revenue at INR12.9b (+7% QoQ, +7% YoY) was ~5.5% above our estimate.
- Vi's data volume grew ~8% QoQ (+9% QoQ in 1QFY26), driven by 5G launch and trended largely in line with ~7% QoQ growth for Bharti/RJio, including FTTH, albeit on a much lower base.
- Data usage per data subscriber increased to 18GB/month (from 16.7GB QoQ), but remains significantly below peers [RJio 38.8GB (including FTTH contribution), Bharti 28.3GB].
- Voice usage on Vi network declined ~1% QoQ (vs. -2% QoQ in 1QFY26, vs. +1% to -1% QoQ for Bharti and RJio, respectively).

- Implied minute of usage per subscriber declined to 585min/month (vs. 590min QoQ), but remains significantly below 1,145mins/ 996mins for Bharti/RJio.
- Vi's trade payables declined to INR90b (vs. INR107b QoQ).

### 5G services expanded to 29 cities; network rollout moderates further

- Vi's network rollout moderated further to ~1.3k towers (~1.9k MBB towers vs. 4.6k QoQ) and ~10.8k net broadband sites in 2Q (vs. 21.6k QoQ).
- Vi's 4G population coverage stood at ~84% by Sep'25 (vs. 77% in Mar'24, 84% in Jun'25).
- Management had earlier indicated that 4G population coverage would be further ramped up to ~1.2b (or 90% of overall population).
- Vi has expanded its 5G services to 29 cities across all 17 priority circles and plans to expand 5G services to more cities based on customer demand and 5G handset penetration.

### Bharti remains the biggest gainer on RMS in 2QFY26

- On our estimates, Bharti was once again the biggest gainer on revenue market share (RMS) in 2QFY26 among the three private telcos, gaining 17bp QoQ (+127bp YoY), with RJio gaining modest 3bp QoQ (but losing 10bp YoY) and Vi losing a further 20bp QoQ RMS in 2QFY26 (and -117bp YoY).
- On subscriber market share (SMS), RJio remained the biggest gainer in 2QFY26 among the three private telcos, with 27bp QoQ gain (+81bp YoY) as Bharti lost 7bp QoQ (but gained 44bp YoY) and Vi lost further 20bp QoQ (and 124bp YoY).

#### Disclosures

The following Disclosures are being made in compliance with the SEBI Research Analyst Regulations 2014 (herein after referred to as the Regulations).

Motilal Oswal Financial Services Ltd. (MOFSL) is a SEBI Registered Research Analyst having registration no. INH000000412. MOFSL, the Research Entity (RE) as defined in the Regulations, is engaged in the business of providing Stock broking services, Depository participant services & distribution of various financial products. MOFSL is a listed public company, the details in respect of which are available on [www.motilaloswal.com](http://www.motilaloswal.com). MOFSL (erstwhile Motilal Oswal Securities Limited - MOSL) is registered with the Securities & Exchange Board of India (SEBI) and is a registered Trading Member with National Stock Exchange of India Ltd. (NSE) and Bombay Stock Exchange Limited (BSE), Multi Commodity Exchange of India Limited (MCX) and National Commodity & Derivatives Exchange Limited (NCDEX) for its stock broking activities & is Depository participant with Central Depository Services Limited (CDSL) National Securities Depository Limited (NSDL), NERL, COMRIS and CCRL and is member of Association of Mutual Funds of India (AMFI) for distribution of financial products and Insurance Regulatory & Development Authority of India (IRDA) as Corporate Agent for insurance products. Details of associate entities of Motilal Oswal Financial Services Limited are available on the website at <http://online.reports.motilaloswal.com/Dormant/documents/List%20of%20Associate%20companies.pdf>. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may; (a) from time to time, have a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein. (b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report. Compensation of Research Analysts is not based on any specific merchant banking, investment banking or brokerage service transactions. Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at <https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx>

A graph of daily closing prices of securities is available at [www.nseindia.com](http://www.nseindia.com), [www.bseindia.com](http://www.bseindia.com). Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to Subject Company for which Research Team have expressed their views.

#### Regional Disclosures (outside India)

This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

#### For Hong Kong:

This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO". As per SEBI (Research Analyst Regulations) 2014 Motilal Oswal Securities (SEBI Reg. No. INH000000412) has an agreement with Motilal Oswal capital Markets (Hong Kong) Private Limited for distribution of research report in Hong Kong. This report is intended for distribution only to "Professional Investors" as defined in Part I of Schedule 1 to SFO. Any investment or investment activity to which this document relates is only available to professional investor and will be engaged only with professional investors." Nothing here is an offer or solicitation of these securities, products and services in any jurisdiction where their offer or sale is not qualified or exempt from registration. The Indian Analyst(s) who compile this report is/are not located in Hong Kong & are not conducting Research Analysis in Hong Kong.

#### For U.S.

Motilal Oswal Financial Services Limited (MOFSL) is not a registered broker - dealer under the U.S. Securities Exchange Act of 1934, as amended (the "1934 act") and under applicable state laws in the United States. In addition MOFSL is not a registered investment adviser under the U.S. Investment Advisers Act of 1940, as amended (the "Advisers Act") and together with the 1934 Act, the "Acts", and under applicable state laws in the United States. Accordingly, in the absence of specific exemption under the Acts, any brokerage and investment services provided by MOFSL, including the products and services described herein are not available to or intended for U.S. persons. This report is intended for distribution only to "Major Institutional Investors" as defined by Rule 15a-6(b)(4) of the Exchange Act and interpretations thereof by SEC (henceforth referred to as "major institutional investors"). This document must not be acted on or relied on by persons who are not major institutional investors. Any investment or investment activity to which this document relates is only available to major institutional investors and will be engaged in only with major institutional investors. In reliance on the exemption from registration provided by Rule 15a-6 of the U.S. Securities Exchange Act of 1934, as amended (the "Exchange Act") and interpretations thereof by the U.S. Securities and Exchange Commission ("SEC") in order to conduct business with Institutional Investors based in the U.S., MOFSL has entered into a chaperoning agreement with a U.S. registered broker-dealer, Motilal Oswal Securities International Private Limited. ("MOSIPL"). Any business interaction pursuant to this report will have to be executed within the provisions of this chaperoning agreement.

The Research Analysts contributing to the report may not be registered /qualified as research analyst with FINRA. Such research analyst may not be associated persons of the U.S. registered broker-dealer, MOSIPL, and therefore, may not be subject to NASD rule 2711 and NYSE Rule 472 restrictions on communication with a subject company, public appearances and trading securities held by a research analyst account.

#### For Singapore

In Singapore, this report is being distributed by Motilal Oswal Capital Markets (Singapore) Pte. Ltd. ("MOCMSPL") (UEN 201129401Z), which is a holder of a capital markets services license and an exempt financial adviser in Singapore. This report is distributed solely to persons who (a) qualify as "institutional investors" as defined in section 4A(1)(c) of the Securities and Futures Act of Singapore ("SFA") or (b) are considered "accredited investors" as defined in section 2(1) of the Financial Advisers Regulations of Singapore read with section 4A(1)(a) of the SFA. Accordingly, if a recipient is neither an "institutional investor" nor an "accredited investor", they must immediately discontinue any use of this Report and inform MOCMSPL.

In respect of any matter arising from or in connection with the research you could contact the following representatives of MOCMSPL. In case of grievances for any of the services rendered by MOCMSPL write to [grievances@motilaloswal.com](mailto:grievances@motilaloswal.com).

#### Terms & Conditions:

This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.

#### Disclaimer:

The report and information contained herein is strictly confidential and meant solely for the selected recipient and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent. This report and information herein is solely for informational purpose and may not be used or considered as an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments. Nothing in this report constitutes investment, legal, accounting and tax advice or a representation that any investment or strategy is suitable or appropriate to your specific circumstances. The securities discussed and opinions expressed in this report may not be suitable for all investors, who must make their own investment decisions, based on their own investment objectives, financial positions and needs of specific recipient. This may not be taken in substitution for the exercise of independent judgment by any recipient. Each recipient of this document should make such investigations as it deems necessary to arrive at an independent evaluation of an investment in the securities of companies referred to in this document (including the merits and risks involved), and should consult its own advisors to determine the merits and risks of such an investment. The investment discussed or views expressed may not be suitable for all investors. Certain transactions -including those involving futures, options, another derivative products as well as non-investment grade securities - involve substantial risk and are not suitable for all investors. No representation or warranty, express or implied, is made as to the accuracy, completeness or fairness of the information and opinions contained in this document. The Disclosures of Interest Statement incorporated in this document is provided solely to enhance the transparency and should not be treated as endorsement of the views expressed in the report. This information is subject to change without any prior notice. The Company reserves the right to make modifications and alternations to this statement as may be required from time to time without any prior approval. MOFSL, its associates, their directors and the employees may from time to time, effect or have effected an own account transaction in, or deal as principal or agent in or for the securities mentioned in this document. They may perform or seek to perform investment banking or other services for, or solicit investment banking or other business from, any company referred to in this report. Each of these entities functions as a separate, distinct and independent of each other. The recipient should take this into account before interpreting the document. This report has been prepared on the basis of information that is already available in publicly accessible media or developed through analysis of MOFSL. The views expressed are those of the analyst, and the Company may or may not subscribe to all the views expressed therein. This document is being supplied to you solely for your information and may not be reproduced, redistributed or passed on, directly or indirectly, to any other person or published, copied, in whole or in part, for any purpose. This report is not directed or intended for distribution to, or use by, any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL to any registration or licensing requirement within such jurisdiction. The securities described herein may or may not be eligible for sale in all jurisdictions or to certain category of investors. Persons in whose possession this document may come are required to inform themselves of and to observe such restriction. Neither the Firm, not its directors, employees, agents or representatives shall be liable for any damages whether direct or indirect, incidental, special or consequential including lost revenue or lost profits that may arise from or in connection with the use of the information. The person accessing this information specifically agrees to exempt MOFSL or any of its affiliates or employees from, any and all responsibility/liability arising from such misuse and agrees not to hold MOFSL or any of its affiliates or employees responsible for any such misuse and further agrees to hold MOFSL or any of its affiliates or employees free and harmless from all losses, costs, damages, expenses that may be suffered by the person accessing this information due to any errors and delays.
