9-Oct-26

Market Update

Nifty : 22,520.45 +288.65 (+1.30%) Sensex : 72,472.33 +879.09 (+1.23%)

- %Domestic equity markets staged a strong recovery, with the Nifty gaining 1.3% and the Sensex rising nearly 1000 points, recovering most of the previous session's losses. The rebound was supported by easing crude oil prices, encouraging TCS quarterly results, positive global market trends, declining US bond yields, %strong quarterly business updates, and bargain hunting following the indices' fall to multi-month lows.
- Asian and European markets advanced by over 1%, supported by a decline in the US 10-year Treasury yield and a 2% drop in crude oil prices to around $103 per barrel. Oil prices weakened after US President Donald Trump indicated that the United States would not attack Iran before the November midterm elections.
- The Nifty rose 288 points, or 1.3%, to close at 22,520, while the Sensex advanced 879 points, or 1.4%, to settle at 72,472. The rally was primarily led by IT, automobile and banking stocks, followed by gains in select metal and mid-cap shares.
- The Nifty IT index emerged as the top-performing sector, gaining over 3% after TCS reported encouraging quarterly results. Attractive valuations of domestic IT companies, compared with richly valued global semiconductor manufacturers, further supported investor sentiment. TCS surged 5% to close at ₹2,171, while other IT stocks, including Infosys, Hexaware, Tata Technologies, Cyient, Persistent Systems, Wipro and HCL Technologies, gained up to 8%.
- The Bank Nifty also climbed 1.5% on optimism surrounding the upcoming quarterly earnings season, supported by encouraging business updates from several lenders. Kotak Mahindra Bank, ICICI Bank, HDFC Bank, State Bank of India and Axis Bank advanced by up to 2.5%, contributing to the broader market recovery.

Technical Outlook:

- Nifty index opened on a positive note and maintained its bullish momentum throughout the session. Support based buying was witnessed at lower levels as bulls defended crucial support zones and pushed the index near its days high. It formed a bullish candle on the daily frame while a Doji sort of a candle on the weekly frame after taking support at its six month swing low indicating buying at lower levels but continues to form lower top – lower bottom from the last nine weeks. Now it has to hold above 22500 zones for an up move towards 22650 then 22750 zones while support can be seen at 22350 then 22250 zones.
- S&P BSE Sensex index opened with a gap up and witnessed buying momentum throughout the day. Small dips were bought into as bulls remained in control for most part of the session. The index recovered its previous session's losses and closed on a strong note with gains of around 800 points. It formed a strong bullish candle along with an inside bar pattern on the daily chart. On the weekly scale, it formed a Doji sort of a candle indicating a tussle between the bulls and bears. For bulls to remain in control, index needs to sustain above its 10 DEMA. Now if it holds above 72500 zones, bounce could be seen towards 72700 then 73000 zones while a hold below the same could see weakness towards 72000 then 71800 zones.

Derivative Outlook:

- Nifty future closed positive with gains of 1.49% at 22625 levels. Positive setup seen in Persistent, TCS, RBL Bank, Blue Star and ICICIGI while weakness seen in Amber, Dmart, Siemens, Jubilant Food, Oil, JSW Energy, MFSL, JSW Steel, Reliance, GAIL, Tube Investments, Godrej Consumer, Lodha, Swiggy and Biocon.
- On option front, Maximum Call OI is at 23000 then 22600 strike while Maximum Put OI is at 22500 then 22400 strike. Call writing is seen at 22600 then 22550 strike while Put writing is seen at 22500 then 22400 strike. Option data suggests a broader trading range in between 22000 to 23000 zones while an immediate range between 22300 to 22800 levels.

Today's News

9-Oct-26

- **Hexaware –** Company announced a multi-year partnership with Anthropic to bring its Claude AI models into its enterprise technology platforms.
- **KEC International –** Company secured new orders worth Rs 1,030 crore across various businesses.

Details of pending Enquiry Proceedings of Motilal Oswal Financial Services Limited are available on the website at https://galaxy.motilaloswal.com/ResearchAnalyst/PublishViewLitigation.aspx. As per Regulatory requirements, Research Audit Report is uploaded on www.motilaloswal.com > MOFSL-Important Links > MOFSL Research Analyst Compliance Audit Report.

MOFSL, it's associates, Research Analyst or their relatives may have any financial interest in the subject company. MOFSL and/or its associates and/or Research Analyst or their relatives may have actual beneficial ownership of 1% or more securities in the subject company at the end of the month immediately preceding the date of publication of the Research Report or date of the public appearance. MOFSL and its associate company(ies), their directors and Research Analyst and their relatives may have any other potential conflict of interests at the time of publication of the research report or at the time of public appearance, however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report..

In the past 12 months, MOFSL or any of its associates may have:
a) received any compensation/other benefits from the subject company of this report
b) managed or co-managed public offering of securities from subject company of this research report,
c) received compensation for investment banking or merchant banking or brokerage services from subject company of this research report,
d) received compensation for products or services other than investment banking or merchant banking or brokerage services from the subject company of this research report.

• MOFSL and it's associates have not received any compensation or other benefits from the subject company or third party in connection with the research report.
• Subject Company may have been a client of MOFSL or its associates during twelve months preceding the date of distribution of the research report.
• Research Analyst may have served as director/officer/employee in the subject company.
• MOFSL and research analyst may engage in market making activity for the subject company.

MOFSL and its associate company(ies), and Research Analyst and their relatives from time to time may have:
a) a long or short position in, act as principal in, and buy or sell the securities or derivatives thereof of companies mentioned herein.
(b) be engaged in any other transaction involving such securities and earn brokerage or other compensation or act as a market maker in the financial instruments of the company(ies) discussed herein or act as an advisor or lender/borrower to such company(ies) or may have any other potential conflict of interests with respect to any recommendation and other related information and opinions.; however the same shall have no bearing whatsoever on the specific recommendations made by the analyst(s), as the recommendations made by the analyst(s) are completely independent of the views of the associates of MOFSL even though there might exist an inherent conflict of interest in some of the stocks mentioned in the research report.

Above disclosures include beneficial holdings lying in demat account of MOFSL which are opened for proprietary investments only. While calculating beneficial holdings, It does not consider demat accounts which are opened in name of MOFSL for other purposes (i.e holding client securities, collaterals, error trades etc.). MOFSL also earns DP income from clients which are not considered in above disclosures.
To enhance transparency, MOFSL has incorporated a Disclosure of Interest Statement in this document. This should, however, not be treated as endorsement of the views expressed in the report. MOFSL and / or its affiliates do and seek to do business including investment banking with companies covered in its research reports. As a result, the recipients of this report should be aware that MOFSL may have a potential conflict of interest that may affect the objectivity of this report.

Terms & Conditions:
This report has been prepared by MOFSL and is meant for sole use by the recipient and not for circulation. The report and information contained herein is strictly confidential and may not be altered in any way, transmitted to, copied or distributed, in part or in whole, to any other person or to the media or reproduced in any form, without prior written consent of MOFSL. The report is based on the facts, figures and information that are considered true, correct, reliable and accurate. The intent of this report is not recommendatory in nature. The information is obtained from publicly available media or other sources believed to be reliable. Such information has not been independently verified and no guaranty, representation of warranty, express or implied, is made as to its accuracy, completeness or correctness. All such information and opinions are subject to change without notice. The report is prepared solely for informational purpose and does not constitute an offer document or solicitation of offer to buy or sell or subscribe for securities or other financial instruments for the clients. Though disseminated to all the customers simultaneously, not all customers may receive this report at the same time. MOFSL will not treat recipients as customers by virtue of their receiving this report.
Analyst Certification
The views expressed in this research report accurately reflect the personal views of the analyst(s) about the subject securities or issues, and no part of the compensation of the research analyst(s) was, is, or will be directly or indirectly related to the specific recommendations and views expressed by research analyst(s) in this report.

Disclosure of Interest Statement
Analyst ownership of the stock No
A graph of daily closing prices of securities is available at www.nseindia.com, www.bseindia.com. Research Analyst views on Subject Company may vary based on Fundamental research and Technical Research. Proprietary trading desk of MOFSL or its associates maintains arm's length distance with Research Team as all the activities are segregated from MOFSL research activity and therefore it can have an independent view with regards to subject company for which Research Team have expressed their views.

Regional Disclosures (outside India)
This report is not directed or intended for distribution to or use by any person or entity resident in a state, country or any jurisdiction, where such distribution, publication, availability or use would be contrary to law, regulation or which would subject MOFSL & its group companies to registration or licensing requirements within such jurisdictions.

For Hong Kong:
This report is distributed in Hong Kong by Motilal Oswal capital Markets (Hong Kong) Private Limited, a licensed corporation (CE AYY-301) licensed and regulated by the Hong Kong Securities and Futures Commission (SFC) pursuant to the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong) "SFO".
